With reference to your endorsement No: 56 D, dated 28th ultimo, herewith returned, I have the honor to inform you that there is at present a set of quarters available in Ottley Hall for use by the Telegraph Master of the Ootacamund Telegraph Office; but I presume he would only be allowed to occupy them, on the understanding that he will vacate if the quarters, are at any time wanted by Clerks, attached to the Government Offices.

The vacant set of quarters has since been occupied by a married Clerk in the Ch. Secretary's office recently ordered up —

The general question of Ootacamund allowances, in which is included the question of house rent, is now under the consideration of the G. of I., and until their final orders have been received, it would be premature to address them on the subject of the rate grant to be levied.

S.O. No. 1089 W of 19.4.87 may therefore be acted on provisionally; pending receipt of the orders of the Govt: of India.

The S. E. requests that Messrs Taylor & D'Monte of the Ex. Engrs Office may be allowed to occupy quarters in Ottley Hall on the same terms, as regards rent, as the Secretariat clerks –

These individuals would not come under the Ootacamund Allce rules, & the Examiner would require G. of I. sanction to their being allowed to pay rent on a percentage of salary.

The rent of each set of quarters in Ottley Hall, calculated according to Code rules, would be Rs. 33-8 per mensem. & this

sum would probably be beyond the means of the two men.

There are five sets of quarters in the building & two sets are now occupied by Secretariat clerks – Three are thus vacant, but one of the Public Dept clerks will probably move in next month when he expects his family to join him – If the two remaining sets be given to the men in the Ex. Engr's office, there will be none available for the Telegraph master, about whom a separate letter has come in.

Orders may be passed allowing the men to occupy the premises which would otherwise stand empty, under the conditions named, on payment of 10 p.c. of their salaries as rent – If the Lt. Govr. raises any objection the sanction of the S of S can be obtained. JoLe 28/4/87

I have the honor to request you will be good enough to permit, Mr. Taylor the accountant, and Mr. DeMonte the Head draughtsman of the Nilgiri Division, each to occupy a set of quarters in Ottley Hall on the same terms as are granted to the present occupants; as they find a great difficulty in procuring quarters at a reasonable rent.
