Sir,

With reference to the 3 months' Privileg leave granted to Mr. C. A. Smith Assistant Engineer, in charge Head Quarter sub Divisio of the Kistna Eastern Division, of which he availed himself from the 29th (Forenoon) April 1885, I have the honor to bring to your notice that, Mr. Smith returned to duty on the forenoon of the 1st August 1885, and thus overstayed his leave by 3 days.

2. The reasons adduced for the overstay are that, knowing the Coasting Steamers are irregular in their movements, he hoped to find some steamer leaving Madras before the 29th July, and so arranged his

journey: but in the event of there being no steamer till the 29th, on which date one of the regular Rangoon Steamers was advertized to sail, he hoped that there would be no difficulty in obtaining an extension of leave for 3 days as provided in the leave rules.

3. Under the circumstances, I request the Examiner P. W. Accounts will be authorised to pass salary to Mr. Smith for the 3 days overstayed by him.

I have the honor to be,
Sir,

This officer was attacked with Dysentery on the 1st April at Bezwada. He did not go on the sick list at once but was treated by the Apothecary until the 15th April when he was sent to Masulipatam & came under the treatment of the Civil Surgeon. On his recommendation he came to Madras where he arrived on the 3rd Instt. He was seen by me on the same date. I found him weakened and pulled down by the attack and still passing several stools daily with some mucus. He was placed on a Bismuth mixture and has already improved and can now take a little fish & light pudding. As I do not consider it advisable that he should return to his work in the very hottest time in the Kistna District, I recommend that he be granted leave to the 1st July to enable him to take a short sea voyage for the complete restoration of his health.

Sir,

I have the honor to forward the following explanation called for by the Examiner P. W. Accounts in his Office Note $\frac{360}{21.8.86}$ received September 10th 86.

1 The Privilege leave should not have dated from April 23rd but from April 28th (the day after the end of the Easter Holidays)

2 It is a common practice to date privilege leave from the end of the Easter Holidays in order to benefit thereby.

3 Before leaving Madras I made enquiries at the Examiner's Office, and was told

No 2780 d/ 13-8-86

that it would be perfectly safe to consider my leave as dating from April 28th, though I had availed myself of it from April 23rd. On my return I reported myself at the Deputy Chief Engineer's Office and on enquiry whether my leave had dated from April 28th was told "Yes" and that it was "all right."

4 I may add that on my return to India I came out with some fifteen or twenty Government Servants all of whom had availed themselves of this privilege, and whose 3 months privilege leave had dated from April 28th

5 If my leave be dated from April 28th I shall have overstayed my leave by 3 days (ie within the week allowed.)

6 I had no reason to suppose that an exception would be made in my case.

I have the honor to be Sir

Your most obed. servant

Sir,

*on the subject of my overstaying leave. (herewith returned)

With refrence to your Indorsement No. 631 G.t. d/8th Instant on No. 3834C* of 2-11-86 from the Secretary to Government P.W.D. I have the honour to inform you that I did not overstay my leave by a single day for the Executive Engineer Mr. Hannan gave me leave in anticipation of sanction from the 7th of June the date on which he relieved me of the charge of my sub Division, and up to which date I performed the ordinary routine duties of my

Office

Office.

2. The Examiner's endorsement No. $\frac{117 S 21st}{11-6-86}$ on my leave application is misleading; In it he states that the Medical certificate implies that I was incapacitated for duty from the 19th May 1886. ~~You~~ accordingly antidated my leave from that date. But from what I have stated in para one, and from the wording of my application, it is plain that I overstayed through no fault of my own, and that I was entitled to leave from 7th June to 7th of September 186, the date of my return.

Copy enclosed.

3. I have reperused the medical certificate and Dr. Van Gaggel's statement of my case and think that the Examiner must have mistaken the latter for the former for there is absolutely nothing in the Certificate which implies that "I was incapacitated for duty from 19th of May"

If

If necessary I can produce a fresh Certificate from Dr. Vangaggel that he did not mean to imply any thing of the sort, but this is obvious from the fact that he allowed me to perform office duties subsequently.

4. In conclusion I have the honour to request that my leave from 7th June to 7th of September may be sanctioned, and that the audit of my pay for the past three months may be no longer deferred, for I have suffered considerable inconvenience and loss by the delay of audit. I also request that this may be done by telegram if possible.
