

Letter from A. S. Russell Esquire, Resident Engineer
Immenely Dⁿ to the Superintending
Engineer & circle dated Palamcottah
24 April 1887. No 234.

I have the honor to inform
you that the Chief Superintendent
Govt. Telegraphs, Madras Division,
has written to ask that the repairs
required to the Telegraph office at
Tuticodin may be completed before
the south west monsoon begins.
I therefore request you will be so
good as to obtain the necessary
funds for the same, so as to enable
me to commence the work as soon
as possible.

2. An estimate amounting
to

No 475, was sanctioned by you, for the
repair of the work under register No 7
of 1886-87.

No 55. J.N.

Submitted to the Chief Engineer
P.W.D. with a request that either the
amount of the estimate may be
granted at once or permission
given to proceed with the repairs
to the building in question in anti-
-cipation of orders of Government
on the statement of requirements
for minor works, repairs &c under
Imperial Civil Buildings, to be
submitted by the 10th of May 1887.
