Despatch 16/4/07

SIR,

I have the honor to report that the services of S. Muthiah Pillay Overseer were dispensed with from 1st March 87, as from your memorandum 1308 C dated 27 June 87 he was considered to be a "temporary" overseer, and the entry in the classified list of establishments corrected upto 31st December 86 he is noted as "temporary". The Examiner of Public Works Accounts however says that "the appointment temporarily held by Muthiah Pillay is on the permanent scale of establishments of Upper Subordinates, but as much as Muthiah Pillay was compulsorily retired under the terms of resolution of the India Government No 2079, dated the 31st July 79, he could not be re-employed otherwise than

temporarily". The Overseer has therefore
been reinstated in his appointment
from 2nd April 84. I therefore request
your orders whether he is to be
paid for the period between the 28th
February and 2nd April 84 or is to be
considered on leave without allowances

I would recommend the former
course if possible as he was put to
the expense of a journey to Madras
owing to the mistake.

I have the honor to be

Sir

Your most obedt. Servt

S. Muthiah Pillay is an
Overseer who was compulsorily retired
under the terms of Govt. of India
Financial Resolution No. 2079 dated
31st. July 1879. He was reappointed
to the Department against a vacancy
on the permanent Establishment, but
having been compulsorily retired was
considered temporary with reference
to orders of the Government of India
communicated with G. O. No. 2343 W. dated
22nd. September 1881.

2. The Overseer, though person-
ally temporary, was employed in a
post on the permanent scale and
therefore need not have been dis-
charged on 28th. February 1887, but
the Supr. Engineer Ist. Circle mis-
understanding his position discharged
him along with other temporary hands,

W 111 C. 26.487
1308 C. 27.682

and then, on learning the facts, re-
employed him from 2nd. April 1887.

3. The case is a peculiar one
not contemplated by any rules but if
Govt. think that the circumstances sta-
by the Superintending Engineer
justify the adoption of either of
the courses proposed by him, I can see
no objection to their doing so.

For orders. The man has
been put up to 4th class
by the mistake, but
the Govt will be paying
for nothing. Perhaps
it is not necessary
to give him full pay
for the time.

Under the circumstances
the overseer should
be paid for the period between
2nd April and 2nd April
