No. 857

Dated 31 March 1887

Received 1 April 1887

Subject.

Regarding the claim of T. R. Ragunatha Row Temporary Draftsma in the Tanjore Divisio office, for arrears of pay due to him.

Disposal.

No. 1283 Dated 5th April 1887

To.
C.
5/4

It is understood tha the draftsman joined the Tanjore Division on the 20th Decr. 1886 and was thrown out of Employ on the 13th January 1887. That he was employed

Tank office from 10th to 28th Feby 1887 and that he resigned the appointment of his own accord having obtained employment elsewhere. If this is so, he appears to be entitled to remuneration from the 13th January to the 10th February only?

T.R.R

Office

to accept a Temporary Draughtsman's place for 3 months on a Salary of Rs 35/ per mensem.

The petitioner has accordingly reported for orders & having received an order No. 1449 T.J. 17.12.86 stating that he has been appointed a temporary Draughtsman for 3 months on a Salary of Rs 35 per mensem in the Tanjore Dn. office. He has reported for duty to the Ex. Engineer, Tanjore Dn. on the forenoon of the 20th December 1886.

With deep respect the humble petitioner begs to inform that he is very much surprised to see the order of the Ex. Engineer all on a sudden on the afternoon of the 15th Inst. stating that his services are dispensed with from the 13th Inst. without any reason. As directed by the chief Draftsman of the office, petitioners has handed over the charge to a 3rd Class Draftsman, who is now recommended for the petitioners place by the Ex. Engineer.

Fully believing that there will be no alterations in your honors arrangements, the poor petitioner made such arrangement for the temporary stage of 3 months on a special cost in a costly town Tanjore.

As the petitioner is a 2nd Class Experienced Draftsman duly qualified for the grade to draw the salary of Rs 35 to 50 per mensem having discharged his duties regularly & also has already been appointed by the Supd. Engineer, finds no reason for having dispensed with his services and recommended a raw 3rd Class Draftsman who is eligible to draw a minimum salary of Rs 20 only per mensem and therefore he begs to request your honour

The Superintending Engineer
6th Circle, Trichinopoly.

Most Honoured Sir,

The humble petition of J. L. Ragoonatha Row, Temporary Draftsman for taking copies of the plans of Cauvery & Vennar Regulators in the Dn. office Tanjore.

Your honor's endorsement No: 1592 T.J. 18–1–87 makes it incumbent on me to state that there is no room to think that I either acted instead of permanent incumbent or the office I was in charge of, was a long-standing one since the place of temporary Draftsman for taking the Copies of plans of the Cauvery & Vennar Regulators was newly created as sanctioned by the Government (Vide Copy of the Appointment order No: 1449 T.J. 17 December/86 enclosed). The matter seems to have been misrepresented to your honor & if all the papers in connection with my appointment were properly perused, the justice would have been very easily administered. While my services, as a 2d Class Draftsman, can be utilized for Rs 35/

it is very unreasonable that my claims are set aside by entertaining an inexperienced 3rd Class Draftsman in my stead. In short I pray that Your honour may be pleased to order all my papers to be brought before Your honour & to consider my claims & do justice due to me.

For which act of kindness, I shall feel highly thankful.

following facts consideration and orders.

I beg to submit that on my application to the Superintending Engineer 6th Circle, he was pleased to offer me the appointment of a temporary Draughtsman on Rs 35 per mensem for 3 months in the Tanjore Division (Vide Enclosure No: I) for taking Copies of the plans of the Cauvery And Vennar Regulators. I accepted the offer (Vide Enclosure No: II) most heartily and at once set out to Tanjore, where I entered on my duties and was discharging the same with considerable care and diligence. All on a sudden, on the afternoon of the 15th ultimo, I got a memo (Vide Enclosure No: 3) dated 13th idem (while there was no office that day) from the Executive Engineer to the effect that my services were dispensed with. Though I was taken by surprise when I got the above memo yet, I made over my business to my successor and immediately brought the matter to the kind notice of the Superintending Engineer (Vide Enclosure No: IV) at whose hands I have not been fortunate enough to get that justice which I duly deserve. This fact can be better understood from a perusal of the Correspondence herewith sent.

The Superintending Engineer seems to have been impressed with the idea that I was acting for some permanent incumbent (Vide Enclosure No: V); but I beg to submit that it is not so. My services were not dispensed with on the ground that the temporary work had been finished in that short time, but I have reasons to believe that the Executive Engineer did so simply to oblige one of his friends by bestowing the vacancy caused by my removal upon my successor, who has neither claim nor competency thereto, as he, a 3rd class Draughtsman, is not entitled to draw Rs 35 per mensem. The fact that I am dealt with with unusual injustice and that my prayers for redress (Vide Enclosure No: VI) had not had the desired effect (Vide Enclosure No: VII) will, as already stated, be known from the accompaniments to this petition.

I, therefore, pray that your honor will be pleased to order the disbursement of my pay for the whole period (3 months as stated in the letter dated 17th December 1886, No: 1449 T.I. of the Superintending

B/388

Superintending Engineer) or at least, up to the 10th Inst., that date on which I was appointed (A temporary Draughtsman's place in the Office of the Superintending Engineer, Tank Maintenance Scheme, Madras.

Petition from Regunatha Row Temporary Drafts-man

OFFICE OF THE SUPERINTENDING ENGINEER,
6TH CIRCLE.

Trichinopoly 13th March 1887

No. 2096.T.J. D/14:

From
J.W. Martin Esqre
~~The Superintending Engineer,~~
Supdt of Works in ch. 6th Circle.

To
The Chief Engineer
P.W.D.

Sir,

ENCLOSURE. 1

In forwarding the accompanying petition from T. R. Ragoonatha Row, late temporary Draftsman in Tanjore Dn., addressed to you, I have the honor to explain as follows.

In G.O. No. 3066 W dated 19th Novembe 1886, the entertainment for three months o a Draftsman on Rupees 35 per mensem was sanctioned. The Executive Engineer, Tanjo Division, in a letter dated 9th December 1886, reported to this Office that, in anticipation of sanction being given for the entertainment of a Draftsman, he employed a man named A.V. Kristnasamy Iyer, who passed the 3rd class test; but as the G.O. provided for a second class Draftsman he recommended that Kristnasamy Iyer should be posted as a temporary arrangement to the acting appointment of 2nd Draftsman in his own Office; and asked this Office to provide a 2nd class temporary Draftsman for three months. This arrangement was approved by this Office; and Ragoonatha Row was appointed,× for three months, after ~~having~~ he was promised ~~him~~ the appointment would last for this period. The order appointing Ragoonatha Row was forwarded to the Executive Engineer. On 11th January 1887, a man named Valayutha Naiker, holding a 2nd class certificate, was appointed to the vacancy of 2nd Draftsman in the Division Office, and then the Executive Engineer discharged Ragoonatha Row, and appointed Kristnasamy Iyer in his place. This arrangement was also approved by this Office. The Executive Engineer did not give any notice to Ragoonatha Row, for, his order discharging him from the 13th January 1887, is dated 13th January 1887. Ragoonatha Row obtained employment in the Office of the Superintending Engineer, Tank Maintenance Scheme, on 10th February; and in his petition now forwarded he claims pay at Rupees 35 per month from 13th January to 10th February on the ground that he was discharged without sufficient notice. I consider that the man has been treated badly, and that he should not have been discharged without proper notice, particularly as his Services were engaged for three months. Accordingly I recommend that he should be paid from 13th January, (~~the day before he was relieved~~ 2ult), to 10th February inclusive at the rate of Rs 35 per month.

I have the honor to be
Sir
Your most Obdt Servt

Encs – 8

Your O. N. No. 1022 C. dated 17th. March 1887.

From the papers received with your O. N., it appears that Ragoonatha Row was appointed to the post of temporary draftsman for a specific period of 3 months. Before this period expired, his service were dispensed with to make room for one Kristnasawmi Iyer.

2. Ragoonatha Row is, I think, clearly entitled to pay at the rate of Rs. 35 per mensem for the full period of three months, and in this view he would now be entitled to receive three months' pay at that rate less any amounts actually paid to him whilst in Govt. employment, whether in the Tanjore Division or elsewhere, during the period 17th. December 1886 to 16th. March 1887.

3. I have not overlooked the fact that the man himself only asks to be paid for the period 13th. January 1887 to 9th. February 1887, but when he made this claim he was actually in Govt. employment (in Tank Maintenance Scheme Division) on the same pay of Rs. 35 per mensem, and presumably he did not contemplate being again discharged before the completion of the original period of three months. In any case, however, being in Govt. employment he could not at the time have claimed except for the period 13th. January 1887 to 9th. February 1887. It would therefore be scarcely just to hold him now to the letter of a claim made at a time when he had again obtained Govt. employment.

He resigned his appt.

4. In any order that Govt. may issue it may save trouble if they will determine the incidence of any charge that they may sanction. The Executive Engineer who apparently discharged this man in the teeth of his agreement seems to be responsible for any extra expense to which the State may now be put and unless the orders of Government distinctly relieve him, I may be obliged to make a reference on this point.

No 195 T.J.

Submitted to the Chief Engineer P. W. D with reference to his Memorandum No 1400 C of 19th April 1887.

2. The Executive Engineer admits his responsibility in the matter, and it is undeniable that he acted very carelessly, but I do not think he can be held personally responsible inasmuch as his action was approved by the Supt. Engr. (Vide Mr. Martin's letter No 2096 T.J. of 13th March 1887) and the responsibility of the latter must be held to cover that of the Executive Engineer.

3. Moreover it is clear from Ragoonatha Row's own petition that he did not make any remonstrance to the Executive Engineer at the time of dismissal, nor call the latter's attention to the fact that his engagement was for a specific period of three months, by Mr. Mitford Smith's ~~[illegible]~~ forgetfulness of which the whole difficulty has been caused.

No. 1332 W

B/

PUBLIC WORKS DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

UNDER date the 16th May 1887

READ the following

From The Superintending Engineer VI circle	H. E. No: 2096 T.J. dated 13th March 1887.
Office note from the Examiner Public Works Accounts	H. E. No 857 dated 31st March 1887.
Do. to Do. do	H. E. No 1283 C. dated 5th April 1887.
Do. Do. Do. / Do. Do.	H. E. No 15 dated 6th April 1887.
From The Superintending Engineer VI circle	H. E. No. 195. T.J. dated 3rd May 1887.

T. R. Ragoonatha Row was appointed a temporary draftman in the Tanjore Division on Rs 35 per mensem for three months with effect from 21st December 1886. His services were dispensed with from the 13th January 1887 by order of the Ex: Engineer, and he obtained an appointment on the same pay in the office of the Superintending Engr, Tank Maintenance

No 1400 C. D 14.4.87

Maintenance Scheme on the 10th February 1887, but resigned it on the 28th February 1887.

2. His first appointment was made by the S. E. VI circle, for three months, and the Executive Engineer was, therefore, in error in discharging him before the expiration of that period. It appears, however, that his irregular action was approved by the S. Engr., though clearly in contravention of the latter's memo No 1449. T. J. dated 17th December 1886.

3. The draftsman is entitled to pay at the rate of Rs 35 per mensem for the time that elapsed between his discharge in the Tanjore Division and his entertainment in the Office of the Supdg. Engr. Tank Maintenance Scheme. In the circumstances reported the Examiner P. W. Accounts will be authorized to admit the charge against the current year's grant for temporary establishment

4. The sanction accorded in para 3. will be registered as No: 6 W of 1887/88 and classified as Establishment Temporary.

2 might well have been held responsible for any extra cost to the State

(Signed) J. PENNYCUICK, Lieut.-Colonel, R.E.,
Superintending Engineer, VI Circle.

Office note from the Examiner of Public Works Accounts, dated 22nd May 1886, No. 152.

Order—dated 29th May 1886, No. 1351 W., Public Works.

The statement of temporary establishment required in the VI Circle during 1886-87 is sanctioned; but the provision therein made for an Executive Engineer has been struck out, as one has been sanctioned in separate orders.

2. This sanction has been registered as Provincial, No. 17 W. of 1886-87, and classified as Establishment, Temporary.

D.W.

From Para 1 of the S.E's Endorsement it seems that a report from the E.E. was to have been "submitted to the Chief Engr" but it has not been received.

There appears to be no question as to the claim of the draftsman for pay from 13/1/87 to 10/2/87 - but orders are requested as to the source from which the charge is to be met. The accounts for 1886/87 are closed but E.E. can be authorised to charge the amount to this year's grant, if it is thought Mr Smith sh^d not pay.

Public Works Department.

No. 91 C dated 12th January 1887.

MEMORANDUM.

The reduced grant for Public Works establishment sanctioned for 1887 - 88 having made it impracticable to make any provision in the preliminary issue of the Provincial budget for that year for temporary establishment, Superintending Enginsers are requested to give notice to all temporary officers, subordinates and other temporary employes in their respective circles that their services will be dispensed with at the end of February 1887. Care should be taken that each individual receives a full month's warning.

2. Upper subordinates of the permanent establishment holding temporary engineerships will revert to their permanent positions on 1st March 1887.

3. Further specific orders dispensing with the services of temporary employes will issue hereafter, but Superintending Engineers will consider at once what arrangements can be made to redistribute the permanent establishment, under all heads, in their respective circles, so as to provide in the most efficient manner possible for the conduct of work. Superintending Engineers should be prepared to submit their reports on this subject with the least possible delay when
