GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following letter from H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, Fort St. George, dated Trichinopoly, 2nd February 1885, No. 22 :—

I have the honor to forward the accompanying plans and estimate, amounting to Rs. 5,750, for constructing twelve new cells in the penitentiary at Madras, and to request you will be good enough to obtain the early sanction of Government for the execution of the work.

2. These cells are urgently required for the confinement of prisoners undergoing judicial and departmental sentences of solitary confinement; the present number of cells being found to be insufficient as explained in the report accompanying the estimate.

3. Mr. Symonds reports that no prison labor will be available for this work in consequence of the large number of prisoners it would be necessary to employ in building the reformatory and the apothecary's and warder's quarters. No deduction has therefore been made in the estimate on account of convict labor.
