No. 179. ORDER THEREON, 26th December 1877, No. 2957.

With reference to an order in the Pension Department, dated 19th September 1876, No. 563, remarking on the practice which obtained of entering up the service books of servants only a few months or so before they retire from the Government service, all heads of departments were called upon in Order, No. 1122, dated the 9th October, to report whether *employés* in their respective departments had provided themselves with the service books required by section 69 of the Pension Code.

2. It appears from the replies above recorded that with some exceptions the servants in the several departments have been supplied with service books, and that steps were taken to supply books to those who had none.

3. The Governor in Council is of opinion that to ensure the service books being properly kept up, the chief subordinate in every office should be required to report to the head of the office at the close of each year whether the books of the several servants are correctly written up to date or not.

26TH APRIL 1887, No. 548, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers:—

From the District Judge, Trichinopoly, dated 15th February 1887, No. 367.

Certificate and report from the Accountant-General, dated 19th March 1887, No. A.D.J.—582.

ORDER—dated 26th April 1887, No. 548, Pension.

Under sections 106, 121 (a) and rule 4, section 121 of the Civil Pension Code (6th edition), the Right Honorable the Governor in Council is pleased to grant to Kuppan, late Process Server, Central Nazarat establishment, Trichinopoly, an invalid gratuity of Rs. (10-6-4) ten, annas six and pies four, being four months' pay, multiplied by the fraction $\frac{1}{3}$, payable at Trichinopoly, in consideration of his qualifying inferior service of 13 years, 3 months and 9 days.

2. The medical certificate dated six days after the applicant ceased to do duty is accepted under rule 2, section 132 of the code. It is, however, observed that the action of the District Judge in having accepted the peon's resignation before his incapacity for further service was duly established was irregular—vide section 107, Civil Pension Code.

3. The delay in the submission of this application has not been satisfactorily accounted for. As has already been pointed out the services of Government servants should be verified while they are in the service and not on the eve of their retirement—vide G.O., No. 1502, Pension Department, dated 13th December 1886.

4. The service registers if properly kept afford the head of an office means for pronouncing an opinion of the character and conduct of his subordinates. The code does not require personal knowledge. If this is wanting the opinion may be based on the records supplemented by any local inquiry that may be deemed necessary. The District Judge was bound to comply with the directions in section 132 of the code. The validity of his objection is not admitted by Government.
