GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

From M.R.Ry. Rao Sahib V. ANUNTHAROW PANTULU GARU, Chairman, Municipal Council, Bimlipatam, to the Chief Secretary to Government, dated Bimlipatam, 24th August 1886, No. 138.

In my letter, No. 187, of 12th December 1885, embodied in G.O., No. 342 M., of 6th April 1886, I have represented to Government that the salary and allowances of Mr. C. G. Roberts, apothecary in charge of the municipal dispensary, had been raised to Rs. 230 per mensem, and solicited that they would be pleased to sanction a moiety of the amount from Provincial funds, as had all along been done. The amount has accordingly been sanctioned, and paid from the Vizagapatam treasury at Rs. 115 per mensem up to the end of May last. My bills for June and July had been refused payment, and returned to me by the Treasury Deputy Collector, Vizagapatam, together with an objection statement from the Accountant-General, stating that the second-grade apothecary is only entitled to draw Rs. 210 per mensem (Rs. 150 pay, Rs. 30 staff allowance, and Rs. 30 house-rent), and that out of the Government share of Rs. 105, Rs. 90 should be drawn from the treasury, and the balance, Rs. 15, from the Public Works Department. The apothecary states that a special allowance of Rs. 50 has been attached to the salary of the medical officer in charge of this dispensary, and the amount has accordingly been paid for many years long before he had taken over charge.

2. The full salary at Rs. 230 has been paid to him from the Municipal funds as usual for June and July last, counting upon the reimbursement from the treasury of half the amount thereof on account of Government share, which, as I have already pointed out, was sanctioned by Government. I would recommend that the present special rate of allowance be allowed to hold good, at least during the present apothecary's tenure of office, as I understand he was induced to give up the Vizagapatam Collectorate on this account.

3. I solicit the favor of your obtaining, and communicating to me at an early date, the final orders of Government on the subject.

MADRAS,
7*th October* 1886.

(Signed) E. S. LAFFAN,
Under Secy. to Govt.

From G. BIDIE, Esq., M.B., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government (through the Accountant-General), dated Fort St. George, 13th October 1886, No. 296.

With reference to correspondence received under your endorsement, No. 604, dated the 7th instant, I have the honor to report to the Right Honorable the Governor in Council that the Accountant-General's contention, that the pay of Apothecary Roberts, in charge of the municipal dispensary at Bimlipatam, should be Rs. 210 and not 230, is in accordance with rule.

2. The dispensary allowance of 50 rupees appears to have been disbursed to him by overlooking G.O., No. 1454, of the 26th September 1878, Public Department, which restricts that allowance to apothecaries "in charge of the *zillah* and dispensary, and not merely for charge of the dispensary" as at Bimlipatam.

3. In this office letter, printed with G.O., No. 342, of 6th April 1886, Financial, the pay and allowances of second-grade Apothecary Roberts were given as follows:—

	RS.
Pay of rank	150
House-rent of rank	30
Employed allowance	30
Total ..	210

4. I would not recommend retrenchment of what was passed in error and received in good faith; but the apothecary should in future be held to the pay and allowances authorized by regulation.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 2nd November 1886, No. I.A.C.I—55-C.

Treasury Account Department.

In forwarding letter to Government sent through this office by the Surgeon-General with Government, No. 296, dated the 13th October 1886, relative to the salary of Apothecary Roberts, in charge of the municipal dispensary, Bimlipatam, I have the honor to submit the following remarks.

2. In G.O., No. 1165, Financial, dated 11th June 1880, a grant of Rs. 75 per mensem was sanctioned, as a special case, to the Bimlipatam Municipality as a contribution towards the salary and allowances of the medical officer attached to the municipal dispensary, being 50 per cent. of the pay and allowances of the assistant apothecary stationed there.

3. This sum Mr. Roberts has drawn regularly, and it was the moiety of the allowances then due to him calculated as follows:—

	RS.
Pay	100
House-rent	20
Employed allowance	30
Total ..	150
of which one-half ..	= 75

4. This office has never admitted Rs. 50 to Mr. Roberts, on the ground that that is "the allowance of the medical officer" there, as Mr. Roberts contends, and as the Surgeon-General presumes to have been the case.

5. From 12th June 1884, Mr. Roberts became entitled to—

	RS.
Pay	110
House-rent	20
Employed allowance	30
Total ..	160

and the municipality's claim to a moiety of this sum has been admitted on the supplemental bill referred to in paragraph 7 below.

6. Mr. Roberts, having lately been promoted, is now entitled to—

	RS.
Pay	150
House-rent	30
Employed allowance	30
Total ..	210

but as house-rent is now claimable in the Department of Public Works, the civil department is liable for a moiety of the remainder (Rs. 180), or Rs. 90 only.

7. The chairman of the municipality, in June last, drew Rs. 602-2-8, as noted below, on account of the Government contribution, and the claim was paid by the Treasury officer without reference to this office. It was only when the paid bills reached this office in July, that the mistake was detected in audit, the excess retrenched, and orders issued (on 27th of that month) for its recovery. No delay occurred in this office:—

	RS.	A.	P.
1. Difference of Government contribution from 1st June 1884 to 11th June 1885, at a moiety of Rs. 10 per mensem ..	61	13	4
2. Difference of Government contribution from 12th June 1885 to 31st March 1886 at Rs. 40 per mensem	385	5	4
3. Difference of Government contribution for April 1886 ..	40	0	0
4. Contribution for May 1886	115	0	0
Total ..	602	2	8

ORDER—dated 15th November 1886, No. 1137 M., Financial.

As Mr. Roberts' present pay and allowances amount to only Rs. 210 per mensem, the excess drawn by him should be recovered. Of this sum, Rs. 90 will be drawn from the Civil, and Rs. 15 from the Public Works, department, as advised by the Accountant-General, the remainder being paid from the Municipal Fund.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers :—

Proceedings of the Board of Revenue, dated 28th March 1883, No. 859.

ABSTRACT.—Submitting to Government, through the Surgeon-General with the Government of Madras, correspondence relating to contribution from *Provincial* Funds towards the *pay of medical subordinates* in Chittoor Circle, North Arcot District.

From Surgeon-General W. R. CORNISH, F.R.C.S., C.I.E., Surgeon-General with the Government of Madras, to the Chief Secretary to Government, dated Ootacamund, 23rd April 1883, No. O-1.

I have the honor to forward the accompanying Proceedings of the Board of Revenue, relating to contribution from Provincial Funds towards the pay of medical subordinates in the Chittoor Local Fund Circle of the North Arcot District.

No. 859 of 28th March 1883.

2. I was of opinion that Government might be asked to contribute one-half the pay of Warrant Medical Officers employed by the Board (1) on account of services rendered to Government, and (2) in consequence of the comparatively high salary drawn by Warrant Medical Officers, and the inability of the Board to meet the expenditure. But on reconsideration it seems to me that the proportion of Government contribution towards the pay of Warrant Medical Officers employed, not only by the Chittoor Board, but by Municipalities and Local Fund Boards in general, may be made to rest on a fixed basis, which shall be more equitable and mutually advantageous to Government and Local bodies employing them.

3. The basis of calculation which I submit for the consideration of Government is this—that as Warrant Medical Officers were not originally designed for service under local corporations, but for duty with the army, the pay of such of them as are in excess of Military requirements, and are loaned to Municipalities and Local Fund Boards, should be met by the Government and Local bodies in the following manner :—

By Government.—The difference between the warrant pay of the Apothecary and the pay of a *Civil Apothecary of the same standing, plus* the usual contribution of one-fourth of the latter pay, in consideration of services rendered to the State.

By Local bodies.—Three-fourths of the lower pay.

With regard to Hospital Assistants whether belonging to the Military or Civil Establishment, one-fourth of pay to be the Government contribution, and three-fourths to be met by employers. The same of Civil Apothecaries.

4. Applying these rates to the medical subordinates in the Chittoor Circle whose case is under consideration, the following results are obtained :—

		By Government.			By Local Fund Board.		
	RS.	RS.	A.	P	RS.	A.	P.
Ranipett.							
Mr. Apothecary Chadwick— Pay, &c., of Second-class Apothecary of 24 years' service	210	Difference 35	0	0	..		
Pay, &c., of a Civil Apothecary of 22 to 28 years' service ..	175	¼ = 43	12	0	¾ = 131	4	0
P. Ramasawmy Naicker, No. 57— Pay, &c., of First-class (Civil) Hospital Assistant	..	..			55	0	0
Palmanér.							
Mr. M. Devanboo— Pay, &c., First-class Assistant Apothecary of 15 years' service	150	..			..		
Pay, &c., of a Civil Apothecary of 15 to 21 years' service ..	150	¼ = 37	8	0	¾ = 112	8	0
Venkatagirikóta.							
Usman Khan, No. 774— Pay, &c., of First-class (Military) Hospital Assistant ..	70	¼ = 17	8	0	¾ = 52	8	0
Chittoor.							
R. Narasimulu Naidu, No. 263— Pay of Third-class (Civil) Hospital Assistant		..			25	0	0
Total ..		133	12	0	376	4	0

It will be observed that no Government contribution is proposed towards the pay of the Hospital Assistant at Ranipett or at Chittoor, as the contribution towards the pay of the Apothecary at the former station is intended to cover all services rendered to the State by the Local Fund Medical Officer; and the presence of the Civil Surgeon at Chittoor renders it unnecessary to subsidize the pay of the Hospital Assistant.

5. I have said that an arrangement on these bases would be equitable and mutually advantageous, because Local Fund Boards are not bound to accept Warrant Medical Officers whose pay and allowances as Military Medical Subordinates are so much higher than officers of corresponding rank in the Civil Department; and if on the score of expense Local Boards decline to employ them, I have not appointments enough in connection with Government Hospitals for all Apothecaries in excess of Military requirements, and many of them must therefore remain unemployed, but draw their pay notwithstanding from Provincial Funds. It is good policy therefore to give Local Fund Boards such measure of help as shall enable them to utilize the surplus hands to the relief of the public exchequer. At the same time the amount of salary that is hereby required of these employers is in proportion to the efficiency and experience placed at their disposal, no greater nor any less than they would have to pay if their medical subordinates belonged to the class of Civil Apothecaries instead of to the warrant grades.

ORDER—dated 11th May 1883, No. 944, Financial.

SIR,

Enclosures.

A question as to the liability of this Department to provide quarters for the Military Apothecary attached to the Palmanair Local Fund Hospital in North Arcot has arisen on which I would request Government orders.

Part of the Hospital premises at Palmanair consists of an Apothecary's quarters having superior accommodation to what the present Apothecary Devamboo would be entitled to if public Quarters were built for him by this Department according to the standard plans &c; in these quarters the Apothecary Doramboo lives whilst employed by the Local Fund Board in North Arcot and for its convenience.

The Local Fund Board however charges the Apothecary with Rs 10 as Rent which claim the Apothecary increases to Rs 30 and passes on to the Executive Engineer for payment.

I would ask whether this Department should pay Rs 30, Rs 10 or "Nil"
