## PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper

From the Chairman, Harbour Trust Board  
Madras, dated 19<sup>th</sup> April 1887 No. 263.

I have the honor to forward for the approval of Government, Copy of a proposed Bye-law, No. 4, and of a resolution in reference thereto, passed by the Trustees at their last meeting.

2. The Board's reason for submitting this Bye-law singly is, that their right to appoint one Contractor to take charge of, and deliver to consignees, all cargo landed at the port of Madras, is without this Bye-law legally contestable, and the point has been raised.

3. The Bye-law as it stands was, with others, unanimously approved by the Late Board, who however deferred submitting any for the approval of Government, until the Chamber of Commerce, as represented upon the Board as now constituted, should have had an opportunity of expressing their opinion.

in the framing of these regulations, which  
have since been again unanimously ap-  
proved by the present Trust.

4. The Board's solicitors however, require  
more time to consider the whole of them  
fully, but as under the circumstances  
noted at para 2, it is of importance that  
Bye-Law No 4 should be published at  
an early date, I have the honor to request  
that the necessary notification may ap-  
pear in the Fort Saint George Gazette.

Order thereon 10<sup>th</sup> May 1887 No 197.

The Government approve of the proposed  
bye-law, and direct that it be published  
in the Fort Saint George Gazette.
