Residency Pth Works
Madras 13 May 1887.

From.

A. Joyce Esquire
General Superintendent
Pth Works.

To
The Superintending Engineer
5th Circle
Madras.

Sir

With reference to your endorsement
ment N^o 166 dated 18th April 1887,
herewith returned, I have the honor to
report that I addressed Mr James
Shortt Solicitor, to Narraiahawamy
Maistry offering to pay Rs. 45-8-3
due to him as suggested by the
Deputy Chief Engineer.

Evidently the man thinks his
claim is correct and has sued
me for Rs. 149-13-8 in the
Small Cause Court and I
would suggest, if it meets with
your approval, that you will
at once ask sanction of
Government to order the Govt
Solicitor to de-
fend the suit.

I have to

Yr^{ly} A. Joyce
Genl Superintendent
Pth Works.

N^o 855-

Enclosure 2
to be returned.

Submitted to the Chief
Engineer's P.W. Department
for sanction to the defence
of the Suit being undertaken
by the Government Solicitor
who will be supplied with any
further information he may
require by the General Superintend-
ent P.W. Stores & Workshops.

2. The proposed defence is
contained in Captain Bad-
deley's letter N^o 1282C dated
5 April 1887.

To Lt. Col.

Sr.

With reference to your letter

No 2 of 1st April 1887

I have the honor to return
the paper and to inform you
that I remember perfectly
well the fortune of the Contractor
to do his work properly; and
it had all to be taken down
and re-built deponentmentally.
I can well recollect the exact
amount of the items that
are admissible, but he certainly
should not be paid anything
for the brick work - I am sure
that he has entered an exorbitant
rate for excavation - The brick
plan would be for the Supr
to make out a bill of what can
be allowed & send for the
Contractor who will probably
take it up & work to ~~make~~
