GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Ootacamund, 10th May 1887 T., No. 1115 :—

In G.O., Judicial, dated the 19th April 1883, sanction was granted for opening a sub-registry office at Alyár Tirunagari, in the district of Tinnevelly, from the 1st June 1883.

2. The registrations, receipts and expenditure since then stand as follow. The office is not only self-supporting, but has contributed a surplus of Rs. 8,594 :—

—	Registration.	Receipts.	Expenditure.
	RS.	RS.	RS.
1883-84	2,869	3,433	1,514
1884-85	3,017	4,365	2,004
1885-86	3,018	4,008	1,901
1886-87	3,059	4,094	1,887
Total ...	11,963	15,900	7,306

3. For want of a public building the office is held in a private native house. On my first inspection of the office on the 2nd August 1884 I remarked :—

"The rented building is in the south street of the town which is not, in my opinion, the best position for an office. The accommodation is sufficient, but not adapted for an office."

On my second inspection on the 24th July 1886 I remarked :—

"The office is held in the same private building in which I found it in 1884, and my remarks regarding a new office hold good."

4. In May 1885 the sub-registrar represented the unsuitability of the building, and he now again urges that a new building should be provided.

5. Under the circumstances, I have the honor to request that the sanction of the Government may be obtained for the preparation of plan and estimate for constructing a sub-registry office at Alvár Tirunagari on the revised tiled standard design.

Approved and transferred to the Public Works Department.
