

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from L. M. WYNCH, Esq., Assistant Collector of North Arcot, to the Collector of North Arcot, dated Yadamari, 14th March 1887, No. 48:—

With regard to the land required for the ryots' shed which is to be newly constructed at Punganúr, the Executive Engineer in his letter No. 643-M, dated the 1st December, said that no more than Rs. 50 will be given for the same as compensation, because that is the amount provided in the estimate for compensation for land and he does not wish to exceed that sum. The Deputy Tahsildar of Punganúr was directed to report if the owner of the site was willing to give it for Rs. 50, and the Deputy Tahsildar reported that he refuses to give the same and demands Rs. 88-12-6.

2. The site in question forms the backyard of a house, which the Executive Engineer says was lately constructed, but the Deputy Tahsildar reports that it appears to have been built prior to the preparation of the estimate. The owner of the land says that the land, together with the house on it, should be taken.

3. Under these circumstances, as the owner of the land refuses to part with the land only (excluding the portion on which the house stands), I have the honor to request that the provisions of the Land Acquisition Act be enforced to procure the land required.

4. Punganúr Deputy Tahsildar's arzi No. 21, dated the 24th ultimo, with enclosures, and copy of Executive Engineer's letter above quoted are herewith sent for your perusal and return.

No. 26.

Submitted to Government with a draft declaration under section 6 of Act X of 1870.

2. The Collector requests that he may be authorized to take early possession of the land under section 17 of the Act.
