ENCLOSURE.

From the Government of India, Public Works Department, to the Secretary to the Government of the Punjab, Public Works Department, dated 29th October 1886, No. 467 M. :—

I am directed to acknowledge the receipt of your letter, No. 3664 A.—I., dated 6th September 1886, inquiring whether Public Works Department Circular, No. 12 M., dated 12th January 1886, contemplates that the Local Government should ordinarily sanction the local purchase of such stores as panes of glass, &c., and, if so, whether it is necessary that the reports on and details of each purchase should be furnished to the Examiner of Public Works Accounts, as prescribed in paragraphs 2 and 3 of that circular.

2. In reply, I am to state that the intention is that the Local Government should obtain articles of European manufacture through the India office, if, by a little foresight, it can be advantageously arranged, and that, when it cannot be so arranged, and the value of the local purchases at any one time and place shall exceed Rs. 50, they must be sanctioned by the Local Government.

3. Details of each purchase need only be furnished to the Examiner when the aggregate value of any article purchased during the year exceeds Rs. 1,000—vide paragraph 27 of Finance Department Resolution, No. 185, dated 10th January 1883.

ORDER—dated 7th January 1887, No. 20 W., Public Works.

Communicated, in continuation of G.O., No. 202 W., dated 25th January 1886, to officers of the Public Works Department, for information and for guidance, in supersession of previous orders on the subject.
