Exp. Engr's office, Chicacole Subdiv.
Chicacole 7th May 1887.

From The Executive Engineer
Chicacole

To The Superintending Engineer
First Circle
Amalaimaram

Sir. I have the honor to bring to your notice the urgent need of increased establishment in this Sub Division. Since the reduction of Establishment in February last, the Jarada Estate has been left without any subordinate, and work there has in consequence been brought to a standstill. Before the reduction the repairs to granaries in Jarada Palace, Estimate Rs 860 were commenced, but almost immediately after the work was put in hand it had to be stopped, and thus out of an

allotment of Rs 1000 only Rs 111 was spent. A list of the sanctioned Estimates for works in the Estate is appended. These it will be seen amount to Rs 1490.

The collector has now informed me that in the Court's Proceedings dated 30th March last No 436, an additional allotment of Rs 4920 has been sanctioned for the Jarada Estate works for the current year. The Mahadevi has also complained of the inconveniences resulting from the stoppage of work.

I have recently been requested by the collector to take over charge of two more estates, the Chakipalli, and Jarlipeta Estates in the Chicacole Taluk. These, I think, it may be practicable for the Overseer in charge of this Taluk to attend to with the assistance of the Sub Overseer, but for the Jarada Estate

the services of an additional Overseer, who, considering the long distance of the Estate from Chicacole, should be an efficient man, are most urgently needed.

estate works on a per-

If the latter alterna-

The man required will be additional to the strength sanctioned for the Ganyam division, and I think therefore as it is for estate work that it will be better to appoint a temporary man, instead of taking a permanent person from another Circle - Prathasa Moori is the man who has been promised an appointment quite lately.
