READ—the following letter from G. D. WYBROW, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezváda, 26th April 1887, No. 117 K.S. :—

With reference to G.O., No. 2891 W., of the 3rd November 1886, I have the honor to inform you that 77 cents of the land at Duggirala have been allotted for house-sites to the clerks as specified in the margin, and the remaining portion has been reserved to meet their future wants. The clerks to whom the sites have been handed over are willing to redeem the annual payment of assessment at 25 years' purchase with a view to make the sites their free-hold property. The purchase money will therefore be recovered from the occupants on the completion of each house, and remitted to the Tahsildar at Répalle for the issue of necessary puttahs.

2. In this connection I beg to request that as a special case the sums noted against the clerks, &c., named in the margin, may be advanced them as they are unable to build houses for themselves for want of funds. This concession I would beg to recommend for your kind approval. These advances to be recovered in ten equal monthly instalments.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following G.O., dated 25th September 1886, No. 2503-W., Public Works:—

Read—the following letter from the Superintending Engineer, II Circle, dated 16th September 1886, No. 968-K.S:—

Adverting to paragraph 1 of G.O., No. 1880-W, of the 27th July 1886, I have the honor to forward herewith copy of a letter from the Executive Engineer, Kistna Western Division, stating that none of the clerks of his office are desirous of availing themselves of the sanction given for building the houses at Duggirala on the conditions proposed by Government.

2. The reasons given by the clerks for not doing so appear to be sound, and as the Executive Engineer states that this land is not likely to be required for any Government purposes, I trust the matter may once more be referred to Government for reconsideration as to whether the land in question may not be allotted to the clerks on payment.

ENCLOSURE.

Letter from G. D. WYBROW, Esq., Executive Engineer, Western Division, Kistna, to the Superintending Engineer, II Circle, dated Duggirala, 7th September 1886, No. 976.

In reply to your endorsement, No. 772-K.S., dated 2nd August 1886, on G.O., No. 1880-W, dated 27th July 1886, I have the honor to inform you that none of the clerks of my office wish to avail themselves of the sanction given.

2. The reasons given by the clerks for not availing themselves of the sanction are as follows:—

(1) To build substantial houses would be beyond their means.

(2) In the event of their building substantial houses, they state that when transferred, their successors might not take over the houses and they would be unable to dispose of the buildings to outsiders as the land on which they stand is Government land and is liable to be resumed when required.

(3) It is to be regretted that Government were not pleased to grant the office members their request, namely, of being allowed to acquire the land, paying for it at the market value which is about Rs. 200 per acre. The bit of land is, as you are aware, site of the late Mr. Norris' bungalow, and the land has long been in the possession of this department and is not likely to be required for any Government purposes. A portion of the land has already been reserved for the construction of a small hospital, should a permanent building ever be required.

Order—dated 25th September 1886, No. 2503-W., Public Works.

Communicated to the Revenue Department with reference to G.O., No. 567, dated 7th July 1886, for favor of information whether there is any objection to the land in question being allotted to the clerks, as their private property, on payment of compensation, to be determined by the local authorities.

2. With reference to paragraph 3 of the Executive Engineer's letter No. 976, dated 7th September 1886, it is remarked that in paragraph 4 of the late Superintending Engineer's No. 2085-K.S., dated 19th February 1886, it was stated that no objection existed to the Executive Engineer's proposals "provided that the land be not considered the clerk's private property," &c. As, however, the present Superintending

Engineer is of opinion that the land may be allotted to the clerks on payment, the Government in the Public Works Department are prepared to endorse his recommendation.

Land Revenue, No. 88.

There is nothing in the terms specified by the Board and approved by Government, which requires that the land shall be resumable at the pleasure of Government. The only condition attached to the grant was payment of assessment at Rs. 2 per acre, and this annual payment can be redeemed at 25 years' purchase, upon which the sites will become the occupant's freehold property, and the cost of the whole piece of land would at this rate be only Rs. 69½. There is no need for the clerks to pay Rs. 200 per acre.

The advances recommended by the Superintending Engineer 2nd. Circle may be made under Govt. of India Financial Department Notification No. 1680 of 30th. June 1870, republished in Fort St. George Gazette of July 19th, 1870, page 897, subject to the conditions therein prescribed.

Para 6 of Govt. of India Circular No. III P.W. of 21st. March 1885, says that present general rules regarding advances for building purposes remain in force.

With reference to condition (i) of the above quoted Notification, the proposed advance in no case exceeds

4. With reference to condition III, the Superintending Engineer's proposal to recover the advance in ten equal instalments is of course unobjectionable.

5. With reference to condition IV., having regard to the smallness of the proposed advances, it is probable that Govt. might adequately secure itself, according to the spirit of the rules, without putting the clerks to the expense of formal mortgages.
