1. Original
Endorsement
to 97-D of
12 May 1887
with Enclosures

With reference to your Encl. No. 97-D of 12 May 1887, I have the honor to report that as the Collector had made proposals to the Board of Revenue last Decr. for the removal of the Head Quarters of the Deputy Tahsildar from Chitwal to Rodur and as there appeared to be no convenient site at Chitwal, the Executive Engineer approved the Collector recommending that the Sub Registrar's Office should also be built at Rodur. 2. The Collector gave it as his opinion that the work should certainly be stopped if possible for the present. The work was accordingly stopped and the allotment surrendered. 3. I have not yet been informed whether it has

been finally decided to remove the Head Quarters
to Kodur. If it is so settled, I presume that
the Sub Registrar's Office should follow, but I
beg that instructions may be given me as soon
as possible as to where it is to be built. No doubt
the difficulty about the site at Chitwail could
be got over if that is found to be the most convenient
situation.

I have the honor to be
Sir

Your most obedient servant.

J. D. D. S.
Sub Registrar
Chitwail
