The term "sanctioned" though not used in para 7 of G. O. No. 2920 W. dated the 5th. November 1886 is implied, inasmuch as the reappropriations therein referred to, would not have been proposed if they did not receive the sanction of the Local Government. Taking this view of the Proceedings, the reappropriations were entered in the Appropriation Return for November, and if allowed to remain in the Return by the Local Government, it was necessary that the entries should be supported by the explanation given, simply to show that they were made conditionally and subject to removal.
