NOTE OF REMARKS.

1. The accompanying estimate provides for improving and extending the Police Station House and Huts at Musingur in the Nilgiri District. The amount of the estimate is Rs. 3020.
2. This building was built some 20 years back and the condition of the roof is reported to be very bad. The book value of the building is 1100.
3. The front verandah of the huts is to be screened by a verandah so that it may be used for cooking purposes, and there are to be compound walls with latrines at ends.
4. Concrete is allowed under the foundations. The foundations & the super-structures are to be built of brick in clay except the coping of the compound wall & which is to be built of brick in chunam. As the flooring of rooms & verandahs is to be of mud, concrete floor 4 1/2 inches thick plastered with mortar is substituted.

yards are to be gravelled to a thickness of 2 inches.

5. In and outside of the huts are to be whitewashed with 2 coats of lime wash, & the compound wall, & latrines are to be pointed & whitewashed with chunam. As

the roof of the existing building is very old & leaks much in certain places, it is proposed to remove the whole roof to insert additional purlins and to relay the tiles over new corrugated iron instead of bamboo mats as before, with

1/4 new tiles and chunam bands at ridge and eaves. The scantling of purlins seems to be sufficient.

6. The rates are fair.

7. Contingencies & Petty Supervision are separately charged at 2 1/2 per cent.

8. The plan and estimate have been countersigned by the Dy. Inspector General of Police and approved in the Judicial Dept.
