

No. 204 E. W

Supg. Engrs. Office, 4th Circle.
Camp Budnadi, 12th May 1894.

From

Colonel J. Beatty R.E.,
Superintending Engineer,
Fourth Circle.

To

The Chief Engineer,
P. W. Department.

Sir,

Enclosure 1

In forwarding herewith an estimate for record racks, and room partitions in the Mount Stuart Buildings for sanction, and provision of funds, I have the honor to inform you that the Estimate has been prepared at the request of the Quartermaster General, who states that the works are indispensable and urgent.

I have the honor to be,

Sir,

Your most obedt. servant.

J. Beatty Col. R.E.,
Supg. Engineer, 4th Circle.

Memo

With reference to
letter from the S. E. IV Circle
No 204 S.W. dated 12th May
1887, the undersigned has
the honor to request the
favor of the Sup. Engr's
opinion whether, ~~in view~~
~~of the climate of the hills,~~
which occupy less space
iron record racks, would
be more suitable for
the Mount Stuart Office
than wooden racks.
The Dy. Sup. Engr. should
be consulted on the
subject, & if ~~now~~
iron racks be considered
preferable, the S. E.
should obtain from
the Dy. Sup. P.W.
Workshop, under, an estimate for
iron racks of the

dimensions required

John

S. S. IV Circle.

No. 224
E.W.

Supg. Engineer's Office 4th Circle.
Camp Wellington 28th May 189.

From

Colonel J. Beatty R.E.,
Supg. Engineer, 4th Circle.

To

The Chief Engineer
P.W. Department.

Sir,

With reference to your Memo No. 137
D of 20th Instant, I have the honor
to observe that you seem to have been
misled by the title of the Estimate and
to have supposed that the bulk
of the outlay proposed was for re-
cord racks, whereas only, about Rs 150
was for that purpose. The estimate
was for "planking partitions and
supplying some additional record
racks", and should have been so
entitled.

2.

At present the different
offices

offices in the outer part of the Mount
Stuart Buildings, are separated by
partitions of cloth on a framework
of wood. The estimate provides for
substituting planks for cloth, and
renewing the framework where ne-
cessary. This work is to cost Rs. 1000.

3. If iron record racks are substi-
tuted for the wooden ones that were
proposed; (1) the cost will be increased
four fold; (2) there will be great delay
in obtaining them, probably 3 or 4
months; (3) the iron will be apt to
rust in places, and damage the records.
For all these reasons, the Quarter
Master ^{General}, whom I personally con-
sulted, prefers the wooden racks.

I have the honor to be,

Sir,

Your most obedt servant.

L. Beatty. Col: R.,
Supg. Engineer, 4th circle.

For orders.

As the climate
 atooty is very
 damp iron
 record racks
 would be an
 improvement.

HB

16/5/87

Yes - It is desirable that
 iron record racks should
 be used - The Probation Dept
 makes an Est for racks and
 approved the H.M. of the
 FE sends the appropriate
 requisition.
