Referring to your letter Nos. 12405

order has as yet been received
from the Govt. of India for a reprint
of Dr. Moore's Manual of Family
medicine, your request I regret
cannot be attended to.

On a reprint being ordered
and published, the fact will be
notified in the Gazette of India when
a fresh requisition for copies may
be sent.

PWC No 4236

Sir
 With reference to your
 letter of 20th. dated
 25 May 87, I regret that
 my previous communications
 quoted by you did
 not convey the meaning
 intended.
 I see last the Govt
 of India asked for an
 approximate estimate
 of the number of copies
 likely to be purchased
 by the employees of this Dept
 a new edition of
 Moore's Family Medicine
 for India, which
 was intended to
 be printed in
 the Govt of India Press
 at the same time
 as the same time
 formed of the number
 of copies required under
 impression that
 we were already aware
 of the intention of the
 Govt of India to publish
 a new edition
 of the work.
