

3. The Supp. Engineer 1st. Circle now requests that authority may be given to this Office to pass full pay for the period; in other words, that the privilege leave granted to Sergeant Hearne may be confirmed. As this is opposed to the rules of the Civil Leave Code, the sanction of the Govt. of India will be necessary.

4. The only way in which the difficulty can be got over is to cancel 3 days of the privilege leave granted to Sergeant Hearne in November 1885, making his leave expire on the day before the Xmas holidays, and as he returned to duty on the first day after the holidays, he will not have exceeded the reduced leave; but he will have three more days service since that leave and the 13 days privilege leave granted in June 1886 will then be admissible.

5. Ordinarily the authority granting the leave could cancel it, but looking to the time that has elapsed, and to the circumstances generally, I think it would be better

Sergeant Hearne was granted ^{leave} privilege for 5 weeks and 4 days from 15th. November 1885. The leave granted to him expired on 24th. December 1885 during the Xmas holidays and he therefore actually returned to duty on 4th. January 1886 on the expiry of the Xmas. holidays, vide Section 165 Rule 13 of the Civil Leave Code.

2. Sergeant Hearne was again granted 13 days privilege leave from 22nd. June 1886, but not having rendered 6 months' service from date (24th. December 1885) of expiry of his last privilege leave, the leave allowance claimed on his behalf was disallowed by this Office.

Desd 25th May 1887

SIR,

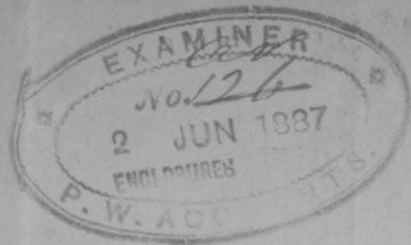

I have the honor to inform you that Sergt. J. Hearne (Supervisor) now Overseer in the Godavari Central Division was granted 13 days privilege leave in June 1886 from the 22nd June, instead of from the 24th June the date on which duty only it became due; the Examiner has consequently disallowed the salary of the Overseer for the 13 days on the ground that the Overseer has not completed 6 months service from the date of his return from the last privilege leave under Section 74 of the Civil Leave Code.

(2) I regret that the error of 2 days was not noticed when granting the leave

and request that under the circum-
stances the sanction of Government
may be obtained authorizing the
Examiner to pass the salary of Sergt.
Hearne for the 13 days (Rs 84-1-4)
in question.
