Examination of the Madras
University. As soon as I passed
out of the College I was employed
as a temporary overseer 1st grade
on the Madras State Ry Surveys
through the kind recommendations
of Captain Lowe Principal
Madras College of Engineering
and gradually promoted by
my own exertions to temporary
Supervisor 2nd grade in the same
line as I was serving in the State
Surveys for a period of nearly
a year and a half at the end
of which the Surveys were over
and my services were dispensed
with.

Then on my application
to the Deputy Chief Engineer P.W.D
I was appointed in May 1886 as
a second grade overseer & posted
to the 3rd Circle (Memo No. 1787C
P.W. Department dated Chepauk
12th May 1886). As such I was

performing my duty at Kumbakonam
to the entire satisfaction of
my superiors. In January last
I received a notice from the Sec.
Engineer Bellary Division to the
effect that my services will be
dispensed with after the end of
February 87 and accordingly
another memo of the Sub Collector
dated 27th February & exceeding
the above notice. But the
Executive Engineer was kind
enough to detain me by giv-
ing my pay from the funds
an arrangement in which I am
now kept and which I am
afraid is not to last any
longer.

On the receipt of the
1st notice I sent an applica-
tion to the Superintending Engineer
III Circle stating all my
qualifications & circumstances
and prayed

him to Confer on me a permanent
appointment in the redestribution
of appointments. Both the
Assistant Engineer and the
Executive Engineer were kind
enough to recommend strongly
about me for a permanent
post as I was also told that
the Superintending Engineer
also has made certain
remarks about me to the
Government that application
was duly sent up and I
have not received any orders
up to date. Under these
circumstances I am obliged
to put forth all my grievances
to your honor praying that
your honor will be gracious
enough to consider my Case
and confer on me a permanent
appointment in the Department.

I most humbly beg to
add to this for your honor's
kind perusal the copies of
my testimonials.

I beg to remain
Most honoured Sir
Your honor's most obedient
& humble servant
Ikkeng a Sammykutty

Sub overseer Pitt

dated 27th January 1887 on K.K.
Rangadary Iyengar's application
dated 25th January 1887 to the
Supdg. Engineer 3rd circle for an
appointment in the permanent
establishment.

"Forwarded to the Ex. Engineer
Bellary Division. From what I
have seen of K.K. Rangadary
Iyengar he appears to be
willing

Temporary subordinate
× × and Rungaswamy
Aiyangar are deserving Sub
pro ten appointments on per-
manent establishment.

Note

A vacancy exists in the temporary establishment in the room of S. Sundara Sastri brought on to the permanent establishment.

The "Register of Applicants" with the papers of some of the senior men are herewith submitted.

13.6

W

K.R. Ranganaswami Aiyer has passed 2nd in the exam[n] for Architect, and has had some experience in the department, chiefly on Railway Surveys. I think he is a very suitable man to fill the vacancy in the temp[y] establishment.

Another Ranganaswamy Aiyer also a B.C.E has just been appointed —
