The C apparently means by his para 2 that notice has not been given to temporary accountants, & that if the existing temporary divisions are not closed on 28th Feb, the temp. accountants must be retained -

No provision has however been made in the Budget for temporary accounts estab.

For orders whether the C may be informed that even if the temp. divisions are retained they must be worked by the permanent estab., & that therefore in any case, ~~the~~

notice must be given
as ordered to all
temporary accountants.
