READ—the following letter from R. B. BUCKLEY, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 10th June 1887, No. 194 B:—

In reply to your endorsement, No. 1202 W., dated 2nd May 1887, I am directed to communicate the confirmation of the Government of India of the action taken by the Government of Madras in sanctioning an estimate of Rs. 1,795 for converting the Executive Engineer's office at Negapatam into a dwelling-house.

2. It is observed that rent will be charged for this building at 6 per cent. ($4\frac{1}{2}$ for interest and $1\frac{1}{2}$ for repairs) on cost of the house when completed. The allowance for repairs seems low, and, should such prove the case, a revision of the rent will be necessary.

ORDER—dated 21st June 1887, No. 1663 W., Public Works.

Communicated to the Superintending Engineer, VI Circle, for information, with reference to G.O., No. 1201 W., dated 2nd May 1887, and for guidance with reference to paragraph 2.
