Read—the following paper:—

Proceedings of the Court of Wards, dated 25th March 1884, Mis. No. 2724.

Read—G.O., dated 22nd February 1884, Mis. No. 858, Revenue.

Resolution—dated 25th March 1884, Mis. No. 2724.

The appended statement A shows the amounts allotted for works in the 36 estates now under the Court of Wards in the present fasli 1293. These are principally irrigation works but include buildings and communications. Statement B shows the works under execution in the Ganjam district, and statements C and D, those in the Ramnad and Gandamanáyakanúr estates of the Madura district.

2. The Court maintains a permanent establishment in four estates only, viz.:—

	Annual Cost.
	RS.
Parlákimedi	18,298
Kangundi	450
Ramnad	5,982
Gandamanáyakanúr	1,692

3. In the other estates the works are executed by petty establishment and no details of the works are in the Court's office.

(True Extract.)

FORT ST. GEORGE,
2nd April 1884.

(Signed) H. E. STOKES,
Secretary to Government.

ORDER—dated 28th April 1884, No. 1067 W., Public Works.

With their proceedings recorded above, the Court of Wards submit the information called for in paragraph 3 of G.O., No. 387 W., dated 13th February 1884, in respect to the works under their management.

2. The Court recommended, in their proceedings of the 14th January 1884, No. 96, that the estimates of all estate works should be scrutinised by officers of the Public Works Department, and that the works, on completion, should be examined and passed by them, the Superintending Engineer of the circle having a general control over all estate works within his charge. The actual execution of the works would, it is understood, still remain in the hands of the servants of the Court of Wards, subject only to the "general control" of the Superintending Engineer.

3. The responsibility under such an arrangement would, the Government consider, be somewhat divided. It would be simpler if the works were handed over entirely to the Public Works Department, and the engineering establishment of the Court of Wards placed under the orders of the Executive Engineer or other officer intrusted with supervision. A contribution of 23 per cent. on outlay might be paid for full professional services, the pay of Court of Wards' subordinate establishments being, however, allowed as a deduction from this contribution. The Superintending Engineer would, under this arrangement, regulate the strength of the subordinate establishment in each case.

4. The Court of Wards will be requested, in the Revenue Department, to state whether they are prepared to accept these proposals.

Read—the following papers :—

Proceedings of the Court of Wards, dated 4th June 1884, No. 1866.

Read—G.O., dated 14th May 1884, No. 2034, Revenue.

Resolution—dated 4th June 1884, No. 1866.

The Court of Wards accept the proposal made by Government.

2. The works on estates under the Court will be placed under the Public Works Department, and a contribution of 23 per cent. upon the outlay will be paid to Government.

3. The Superintending Engineer will regulate the strength of the subordinate establishment to be entertained by any estate, and this establishment will be under his orders. The cost of this subordinate establishment will be deducted from the contribution of 23 per cent. on outlay payable to Government.

4. The Court beg to represent that the Public Works Department staff will require some addition in the Ganjam and Madura districts.

Establishment.

Read—the following papers :—

Proceedings of the Court of Wards, dated 2nd September 1884, No. 3063.

Read—the following letter from Lieut.-Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 25th July 1884, No. 652 T.J. :—

With reference to G.O., No. 1523 W., dated 18th June 1884, ordering that works in estates under the Court of Wards be placed under this department, I have the honor to point out that, as paragraph 2 of the resolution of the Court of Wards No. 1866 directs the subordinate establishment employed on any estate to be under the orders of the Superintending Engineer, I suppose it is intended that *all the work* in each estate shall be carried out by this department, and as paragraph 2 of G.O. No. 1523 W. orders the Examiner to issue instructions with regard to accounts, I presume that Government intend that all the works should be carried out under code rules. If this is the case, I have to point out that for the estates of Ramnad and Gandamanáyakanúr, very heavy establishments will be necessary, and, in fact, it will be necessary for a new division and sub-division to be formed for these two estates, as it will be impossible for the Executive Engineer, Madura, to carry on all the works in the estates and his present division.

2. I venture to suggest that this should not be done.

In the Government districts, it has been thought right to relieve the department of all charge of what are called minor irrigation works (as a rule works irrigating less than 200 acres are called minor) and of all repairs to buildings and other works the cost of which is less than Rs. 1,000. I would propose that the same course should be adopted with regard to works in estates under the Court of Wards; that the Collector should, through his managers, carry out all repairs to irrigation works that may be, by him and the Superintending Engineer, classed as minor, and also execute all repairs to buildings, &c., the estimated cost of which should be less than Rs. 1,000; that for this he should be given a small establishment, and, of course, be allowed to call on this department for advice when necessary. The execution of work, however, will be chiefly done through the Revenue establishments in the estates, as is done with regard to similar works in the Government districts. Of course, any work that the Collector and Superintending Engineer considered advisable to be carried out by the Public Works Department would be so carried out.

With regard to the larger irrigation works and important repairs, they will be done under code rules by this department.

3. I think the following facts as regards Ramnad zemindari, which have been kindly given to me by Honorary Deputy Collector Raja Ram Row, manager of the estate, will show that some arrangement, as above sketched out, will be necessary :—

Ramnad has an area of 2,361 square miles. There are in it 1,281 tanks. Of these, 922 belong to the estate proper, 315 to devastanam, and 44 to chattram funds. Of these—

64 irrigate over 500 acres.
138 " " 200 and under 500 acres.
234 " " 100 " 200 "
290 " " 50 " 100 "
555 " under 50 acres.

These tanks, as a rule, get a very short supply, but are liable to serious injury when the rainfall is heavy.

The repair allotment for the estate of this official year is Rs. 95,300, of which probably about Rs. 8,000 is for buildings, the remainder for irrigation.

In 1882-83, the expenditure on irrigation repairs was only Rs. 27,478 ; it is, however, notorious that this sum was not sufficient to keep the works in proper repair. Many of them, I am informed, require extensive repair. For a short time prior to 1880, there was a special establishment costing Rs. 833-8-0 a-month, or Rs. 10,002 a-year ; it consisted of one engineer, on Rs. 470, two overseers, two sub-overseers and an office establishment.

There is now an establishment costing Rs. 6,252 a-year ; it consists of one supervisor, Rs. 150, two overseers, two sub-overseers and the same office establishment as before. The repairs to buildings include repairs to chattrams, &c.

4. If the proposal made in paragraph 2 of this letter is adopted, I would suggest the following establishment for Ramnad :—

Public Works Department.

One sub-officer under the Executive Engineer, Madura, with establishment and one extra draftsman.
Two overseers with establishment.

Under the Manager of the Estate.

Four sub-overseers and four lascars.
Two clerks in the manager's office.

For Gandamanáyakanúr.

One supervisor under the sub-officer of Dindigul, with ordinary establishment.
One extra clerk in the sub-division office.

Under Manager.

One or two sub-overseers.

The executive office in Madura should be raised from third class to second class. Of course, if any extensive works are taken up in either of the estates, the establishment will be increased. With regard to Tanjore and Trichinopoly, probably an extra overseer may be required in Tanjore and perhaps a maistry in each district under the Collectors.

5. I am sending a copy of this letter to the Collector of Madura, in order that his opinion on the proposal may be sent in.

No. 428 E., Public Works.

Referred, through the Revenue Department, to the Court of Wards for favor of early remarks.

OOTACAMUND,
4th August 1884.

Mis. No. 3572, Revenue.

Forwarded accordingly.

OOTACAMUND,
18th August 1884.

(Signed) H. E. STOKES,
Secretary to Government.

Resolution—dated 2nd September 1884, No. 3063.

The Court of Wards have no objection to minor irrigation works and repairs costing less than Rs. 1,000 being left to the Collectors in the smaller estates scattered over the Presidency, but they do strongly object to any such arrangement as regards the Ramnad estate.

2. It was the state of affairs in Ramnad shown in Board's proceedings, No. 96, dated 14th January 1884, that particularly led the Court to ask for the assistance of the Department of Public Works. Very large sums of their ward's money are being spent on the small irrigation works described by Colonel Mead, and the Court are not satisfied that the money is well spent. The larger and smaller tanks in Ramnad are, it is believed, intermingled together, and it does not appear to be advisable to have two establishments going over the same ground. The Court, therefore, trust that the Superintending Engineer will be directed to take over all the works in the Ramnad estate.

(Signed) H. E. STOKES,
Secretary to Government.

Proceedings of the Court of Wards, dated 5th September 1884, No. 3121.
Endorsement in the Revenue Department, dated 30th September 1884, No. 4261.

From Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 24th September 1884, No. 230 G.L. :—

With reference to your memorandum, No. 1161 D., dated 26th June 1884, I have the honor to forward, herewith, a statement showing the additional establishment required in the Ganjam, Vizagapatam and Godávari districts on account of the transfer of works on Wards' estates to the Public Works Department.

2. The proposed allotments for expenditure on works of the different estates in the Ganjam district during the fasli 1294 (from 6th July 1884 to 30th June 1885) according to the budget lists furnished to me by the Collector, amount to Rs. 2,30,991, and the contribution to be paid to Government at 23 per cent. upon the outlay will be Rs. 53,130. The cost of additional establishment required in the circle office and in the Ganjam division amounts to Rs. 14,298.

3. The two additional clerks applied for for the Superintending Engineer's office are absolutely necessary as the work in the office has already been greatly increased since the formation of the Godávari Central and Rushikulya divisions.

4. I have not yet received the budget lists of works for the fasli 1294 from the Collectors of Vizagapatam and Godávari, but taking the allotments for works the same as those for last fasli (*vide* statement printed with G.O., No. 1067 W., of 28th April 1884) I have applied for one temporary overseer, 3rd grade, for five months * for each of these districts for employment on estate works.

5. The formation of sub-divisions in the Ganjam division will be reported hereafter.

* From November 1884 to 31st March 1885.

ENCLOSURE.

I CIRCLE.

DOWLAISHWERAM,
24th September 1884.

(Signed) P. MONTGOMERIE, Lieut.-Col., R.E.,
Superintending Engineer, I Circle.

Note by the Chief Engineer for Irrigation, dated 11th October 1884, No. 89 E.W.

ORDER—dated 28th October 1884, No. 2659 W., Public Works.

Communicated to Superintending Engineers for information and guidance, in continuation of G.O., No. 1523 W., dated 18th June 1884.

2. Proposals for establishment required to carry out work in Wards' estates should be framed with reference to the arrangements now approved by the Court.

3. The Superintending Engineer, VI Circle, will arrange for taking over all the works in the Ramnad estate as proposed by the Court of Wards. To admit of the work being properly attended to, a temporary division will be formed under an Executive Engineer on Rs. 550, to whose appointment the sanction of the Government of India will be requested. The exact strength of the subordinate establishment to work under the Executive Engineer will now be reported by the Superintending Engineer. It is observed that the repair allotment for this estate, available for expenditure during the current official year, is set down as Rs. 95,300, and the scale of establishment should be fixed at a reasonable percentage on this amount.

4. The establishment proposed by the Superintending Engineer, I Circle, for wards' estates in that circle is approved, subject, as regards the Assistant Engineer on Rs. 450, to the sanction of the Government of India to the creation of the post.

Note.—The Statement has been revised in the Secretariat; the additional establishments being all classed as *temporary*.

5. It must be understood that all establishment sanctioned for the execution of works on wards' estates will be *temporary*.

6. The sanction accorded in paragraph 4 above has been registered as Provincial No. 58 W. of 1884-85, and classified as "Establishment, Temporary."

READ—the following office note, from the Examiner, Public Works Accounts, dated 27th March 1885, No. 973 :—

The Executive Engineer in charge of the temporary division, Ramnad estate, under the Court of Wards, has applied for a sum of Rs. 6,000 for expenditure in April 1885. To enable me to issue letters of credit, it is necessary that I should be informed of the grant that has been fixed for this division in 1885-86. Pending the receipt of this information, which please obtain, orders are solicited as to whether the sum of Rs. 6,000 applied for may be granted.

ORDER—dated 31st March 1885, No. 786 W., Public Works.

The Court of Wards will be requested, in the Revenue Department, to arrange for early provision of funds to cover expenditure during 1885-86 on estate works under execution by the Public Works Department. Meanwhile the Examiner, Public Works Accounts, is authorised to grant the credit of Rs. 6,000 applied for on account of the Ramnad estate.

Account.

Read—the following office note from the Examiner of Public Works Accounts, dated Madras, 16th June 1885, No. 202 :—

The Executive Engineer in charge of the temporary division, Ramnad estate, has applied for Rs. 6,000 for expenditure in July. Please state whether the amount may be granted, pending sanction to the provision of funds referred to in G.O., No. 786 W., dated the 31st March 1885, which has not been yet received.

Order—dated 22nd June 1885, No. 1454 W., Public Works.

Communicated to the Revenue Department in continuation of G.O., No. 786 W., dated 31st March 1885, with the request that early steps may be taken for the provision of funds by the Court of Wards to cover expenditure during 1885-86 on estate works under execution by the Public Works Department.

2. The Examiner, Public Works Accounts, is authorised to grant a further credit of Rs. 6,000 applied for on account of the Ramnad estate.

20th February 1886, No. 411 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following paper :—

MEMORANDUM.

The following arrangements, with regard to the Ganjam and Rushikulya divisions, will be recommended to the Chief Engineer, Public Works Department.

2. That the Ganjam division should be reconstituted with head-quarters at Chicacole, and for the present should consist of the Chicacole sub-division, the Parlákimedi, Urlam and Jarada Estates.

3. That the Rushikulya division should consist of the Project with the Goomsúr, Berhampore taluks and the Chinna Kimedi, Dhárákót and Bodoogooda Estates, with head-quarters at Dorgam.

4. The proper distribution of establishment will be—

Ganjam division.	1 Executive Engineer. 1 Assistant do. 4 Upper Subordinates.	Rushikulya division.	1 Executive Engineer. 2 Assistant Engineers. 7 Upper Subordinates.

Assistant Engineer Mr. deClosets was appointed for the charge of the Parlákimedi Estate sub-division, but for some reason he has been given charge of the Chicacole sub-division and Sub-Engineer Mr. H. W. Taylor has been placed in charge of the Parlakimedi Estate. It does not seem necessary to have an Assistant Engineer for charge of the Head-quarters sub-division, and, if the present arrangement is to hold good, Mr. deClosets might be sent to the Rushikulya division where there are several important works in progress which seem to me to have been left too much to subordinates.

5. The office establishment of the two divisions have not yet been separated, so there will be no difficulty in re-opening two divisions. The accountants are still on the spot.

6. The reconstitution of the Ganjam division having been approved by telegram from the Chief Engineer, Public Works Department, Executive Engineer Mr. Vincent is directed to proceed at once to Chicacole and make the necessary arrangements for carrying on the work of the Ganjam division. As, however, it would be inconvenient to separate the accounts only one month before the close of the official year, the reconstitution of two divisions should take place from 1st April and accounts of expenditure up to that date should be submitted through the Executive Engineer at Berhampore.

7. There has been some misunderstanding with regard to the Court of Wards' Estates, which, it is understood, were handed over to this department in June last, the Executive Engineer having up to date had no funds placed at his disposal for expenditure. The consequence is all works have been stopped and there are outstandings incurred by the Collector which have never been paid. Immediate attention to the subject is necessary, and it is essential that a competant officer should personally examine the numerous works in the Parlákimedi Estate, some of which are of considerable importance, and make the arrangements necessary for carrying them out systematically. There is a rather large list of petty establishment employed on this

Estate, regarding which the Executive Engineer can make proposals subsequently. If the works are scattered it may be necessary, in the event of the Assistant Engineer being transferred to the Rushikulya, to appoint an additional temporary overseer for the Estate works.

8. The Estate works in the Rushikulya division may also require an additional temporary overseer; on this point the Executive Engineer will report, in the usual way, after he has examined the works in these Estates.

BERHAMPORE,
12th February 1886.

SIR,

In the Budget Estimate for estate works in this circle for 1886-87 submitted to you with my letter No 503 Gt. dated the 13th March /86. Rs 1000 were applied for for Jarada Estate in the Ganjam Division as required by the then Executive Engineer[x] in charge of the Division. Mr Vincent now says that that sum is quite insufficient to meet the requirements of the Estate and requires Rs 5000. I therefore request you will be good enough to ask the Court of Wards to allot the above sum instead of Rs 1000.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Progs of the Court of Wards, dated 6th December 1886, No 1557, on Proceedings of the Madras Government, Revenue Dept., dated 17th November 1886, No 6952.

Resolution

Chinnaipalli Progs 1407 / 6-11-86

Mesanakurru } Cakkavaram } Vadavapalli } Progs 1499 / 22-11-86

The Court have already informed the Public Works Department of the requirements of the marginally noted estates. The Collector of Ganjam has accepted the provision made by the Public Works Department for the Urlam, Jarada, and Chinnakemedi Estates. Information is still due for the Parlakimedi, Dharakat and Bodagadu estates and will be submitted on receipt.

Order thereon, 10th Decr 1886, No 7458

Communicated to the Public Works Department with

with reference to order in that Department dated 13th November 1886, No. 3010 W.
