Returns of ancient architectural remains for year ended
31st March 1887.

Order thereon No. 1353 W. dated 17th May 1887

The Superintending Engineers II and V circles, and the
Consulting Architect, have submitted nil returns. The Super-
intending Engineer IV circle merely reports that no archi-
tectural remains, in addition to those previously reported,
have been discovered during the year ; and the Superintending
Engineer I circle mentions the Asoka Tablets without any re-
marks. The attention of these officers will be directed to
para 2 of G. O. No 1513 W dated 15th June 1886 in view to
their reporting without delay whether there are any buildings
of architectural or historical interest in their circles,
which require, and are worthy of repair .

2. The returns submitted by the Superintending Engineers,
III & VI circles, will be returned to those officers for
early resubmission, with information in each case, as to the

present state of repair of the building, and whether it is
considered worthy of preservation.
