

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From the President, District Board, Vizagapatam, to the Chief Secretary to Government, dated Vizagapatam, 22nd April 1887, No. 206.

In their order, No. 346, dated 23rd March 1886, Government sanctioned the constitution of the marginally noted 11 places as unions under Madras Act V of 1884.

2. Subsequently the district board proposed the addition of the following 28 places also to the list of unions, and requested sanction of Government for the

same—*vide* this office letter No. 148, dated 5th March 1887 :—

3. Of these 28, the Taluk Board, Narsapatnam, desired that the first named 9 places may not be constituted unions as the estimated income from house-tax in these places is such that it will not cover the necessary charges unless large grants are made from taluk funds and as taluk boards cannot afford to do this in their present state of funds—*vide* letter from the President, Taluk Board, Narsapatnam, No. 44, dated 19th March 1887, submitted with this office endorsement No. 228, dated 11th April 1887, and paragraphs 17 and 18 of this office letter No. 193, dated 13th April 1887.

4. The levy of house-tax in the 11 unions sanctioned by Government was postponed last year in consideration of the exceptionally bad state of the season. The Local Boards find that the agricultural prospects have greatly improved and that the people are now in a condition to bear the tax, notwithstanding this the state of funds of these boards is such that they cannot work out these unions unless the tax is levied.

5. The district board therefore propose that house-tax be levied at the following places at the rates shown opposite to them, and request sanction of Government for the same.

4. The levy of house-tax in the 11 unions sanctioned by Government was postponed last year in consideration of the exceptionally bad state of the season. The Local Boards find that the agricultural prospects have greatly improved and that the people are now in a condition to bear the tax, notwithstanding this the state of funds of these boards is such that they cannot work out these unions unless the tax is levied.

5. The district board therefore propose that house-tax be levied at the following places at the rates shown opposite to them, and request sanction of Government for the same.
