Read the following papers:—

No. 348. *From Colonel A. CROOKSHANK, Deputy Secretary to the Government of India, Military Department, to Lieut.-Colonel A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, 20th July 1886, No. 829-AS.*

Furlough.

The Government of India having had under consideration the great demand for Medical Officers in Burma, I am to suggest, for the consideration of the Governor in Council, the expediency of not granting furlough to these officers (except on medical certificate), unless requirements for Burma can be met without difficulty.

No. 4521.

Forwarded for favor of the opinion of His Excellency the Commander-in-Chief.

(By Order.)

OOTACAMUND,

No. 349. *Memorandum from Major H. R. HOPE, Officiating Deputy Adjutant-General, Madras Army, to Lieutenant-Colonel A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Ootacamund, 16th August 1886, No. 1983-O (Furlough).*

The Commander-in-Chief concurs in the suggestion by the Government of India, which, as will be seen from the Surgeon-General's letter No. 1071, dated the 5th instant, enclosed, has been the course followed in this Presidency for some time back.

From J. IRVINE, Esq., M.D., Q.S.P., Surgeon-General, Her Majesty's Forces, Madras, to the Adjutant-General, Madras Army; dated Ootacamund, 5th August 1886, No. 1071.

In returning the papers referred under your memorandum No. 1874-O (Furlough), suggesting the expediency of not granting furlough to officers except on medical certificate, I have the honor to state that I concur in this suggestion, which has, indeed, been the course followed for some time back in this Presidency, in consequence of the great demand for Medical Officers in Upper Burma.

No. 350. ORDER THEREON, 25th August 1886, No. 5152.

The Right Honorable the Governor in Council directs that, until further orders, the grant of furlough and leave, on private affairs, out of India, be suspended in the case of all officers of the Medical Staff and Indian Medical Department in military employ.

2. The civil departments will be informed that, until further notice, Military Medical Officers in civil employ granted furlough or leave of any kind cannot be replaced from the military establishment.
