Noti by the Chief Engineer for Irrigation

At the request of the Examiners of the Public Works Accounts, the Executive Engineer Presidency D. has applied to this office for a receipt for Rs 19. 3. 11. the amount of income tax deducted from the salary paid to Captain A.W. Smart R.E. for July 1886, as in the receipt signed by him before he proceeded on furlough to England the net amount instead of the gross was entered. The Examiners of P.W. Accounts in reply to a reference made to him states that the voucher for which Captain Smart now in England has to be written to, may be dispensed with if Government approve.
