Read—the following letter from Lieutenant-Colonel E. COLLEN, Officiating Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 9th June 1887, No. 1150 M.W.:—

I am directed to acknowledge the receipt of your letter, No. 1254 W.,* dated 9th May 1887, submitting, for the sanction of the Government of India, a proposal to effect certain alterations to the recreation-room and canteen at Cannanore, this sanction being asked for under the rules which prohibit the alteration of military buildings constructed in accordance with standard plans without the sanction of the Government of India. Orders are also solicited whether slight alterations to existing buildings fall under the rules referred to, or whether they may be sanctioned at the discretion of the local Government.

2. In reply, I am to observe that, from the plan which accompanies your letter, it appears that it is proposed to re-appropriate the canteen building to an altogether different purpose, viz., for use as guard-room, prisoner's room, cells, orderly-room and quarters for orderly-room clerk. In such a case, the change of appropriation being within the powers of the local Government, any minor alterations necessary to adapt the building to its new purpose may be dealt with by the same authority.

3. I am to add that the Government of India consider that it would be inexpedient to relax the general rule which prohibits the alteration of buildings constructed according to standard plan, so long as the buildings are used for the purpose for which the standard plan was designed.

There appears to be no standard design entitled as recreating rooms as per accompanying plan. The other one for Canteen would be strictly in accordance with standard design but for the proposed alterations.
