Jollarpett Rest House:-

Requesting sanction of Government for writing off Rs: 2-11-2 from the accounts - being rent due by Mr. Sandford for occupying - from 1st to ~~29th~~ 27 September 1886.

No 440 Executive Engineer's office
Coimbatore 14 June 1887

From

Captain O. V. Boddy R.E.
Executive Engineer
Coimbatore Division

To

The Superintending Engineer
Fourth Circle

Sir,

I have the honor to bring to your notice that Mr Sandford pensioner was occupying the Rest house at Jalarpet and paying rent at the rate of Rs 3 per mensem. This building was sold to the Madras Railway Co vide G. O. No 2,548 W dated 29th September 1886.

2 A sum of Rs 2-11-2 is due by Mr Sandford on account of rent from 1st to 27th September 1886.

3 When he was desired to pay

the rent he requested me to excuse him from payment on the plea of his having kept the building in good order for more than 3 years and it would be very hard on him to pay this amount, though trifling, from the pension he gets. He was informed that the amount should be paid and could not be excused.

3 There being no chance of recovering the amount from him, I have the honor to request you will be so good as to obtain the sanction of Government for writing off the sum of Rs 2-11-2 from the accounts. He has taken no notice of reminders calling upon him to remit the rent without delay.

I have the honor to be
Sir
Your most obedient servant.

Captain R.E.
Executive Engineer

G.O., dated 22nd April 1886, No. 1051 W., Public Works.

Read—also the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 3rd August 1886, No. 288 E.W.

As directed in paragraph 1 of G.O., No. 1051 W., of 22nd April 1886, I have the honor to submit, herewith, the draft declaration drawn up by the Collector of Salem for the acquisition of the land required for a rest camp at Jalárpet.

2. The estimate for a well is not yet ready and will be sent separately.

From the same officer, dated Coimbatore, 9th August 1886, No. 299 E.W.

With reference to G.O., No. 1051 W., of 22nd April 1886, I have the honor to report that the sum of Rs. 2,293 offered by the railway authorities would be the fair value of the Jalárpet rest-house and out-buildings exclusive of the wells. I consider the fair value of the buildings including the well would be Rs. 2,720, which sum has been arrived at as follows:—

	RS.
Value of the rest-house	2,057
Do. cook-house	331
Do. latrine	320
Do. well	495
	3,203
Deduct 15 per cent. for deterioration and wear and tear ...	483
Net amount ...	2,720

2. I beg to submit an estimate, amounting to Rs. 495, for constructing a new well on the site of the new camping ground, as called for in paragraph 3 of the Government order.

3. The draft declaration for the acquisition of the land quoted in your memorandum, No. 2082 C., of 7th June 1886, was forwarded with my No. 288 E.W. of 2nd instant.

From the Superintending Engineer, IV Circle, dated 11th August 1886, No. 301 E.W.

Office note from the Consulting Engineer for Railways, dated Madras, 24th August 1886, No. 1053.

Your office note, No. 2787 C., dated 14th August 1886.

Has the honor to state that the Madras Railway Company are prepared to pay Rs. 2,720 for the rest-house, out-buildings, and well at Jalárpet. The Agent and Manager assumes that, as the cost of the existing well is included in the above mentioned sum, the Company will not be called upon to pay for the sinking of a new well.

ORDER—dated 3rd September 1886, No. 2204 W., Public Works.

The proposal to sell the military rest camp at Jalárpet to the Madras Railway Company for a sum of Rs. 2,720 will be submitted for the early sanction of the Government of India, with advertence to paragraph 1217 of the Madras Public Works Code. Pending receipt of the orders of that Government, the declaration for the acquisition of the land required for a new camping ground, and the estimate for making a well on that land, will be held in abeyance.

2. The assumption of the Agent and Manager, as stated in the Consulting Engineer's note of 24th August 1886, is correct.

(Here enter No. 2205 W., dated 3rd September 1886.)

REFERENCE.

Your Office No. 2787C ×, dated 14th August 1886.

Has the honour to state that the Madras Railway Company are prepared to pay Rs 2,720 for the Rest house, out-buildings, and well at Jalárpet. The Agent and Manager, assumes that as the cost of the existing well is included in the above mentioned sum the company will not be called upon to pay for the sinking of a new well.

" 2787 C. 14. 8. 86

Note.

2205

3.98

The Railway ompany offerred s: 2293 for the rest ouse including the well - that is that the cost of the well to be constructed on the new camping ground should be met from the Rs: 2293.

The Supg Engr, however, values the rest house, out buildings and well at Rs: 2,720- and before anything further can be done the Railway ompany must accept those terms.

No mention is made of the land

The amount the Railway Company are prepared to pay is Rs. 2720/- and as this sum includes the value of the existing well, the Company will of course not be called upon to pay for making a new well.

No mention is made of the land round the rest house and as this will also be handed over to the Railway Company; it seems fair that they should pay compensation for the ground to be taken up for camping.

The land required according to the Schedule submitted by Collector is 200 yards by 132 yards; but this does not agree with the plan.

The land round the rest house appears to be 200 x 200 yards, so that the Company would get more land than they would have to pay for.

~~Civil~~ Military Works.

READ—the following paper :—

From the Consulting Engineer for Railways, Madras, to the Chief Engineer, Public Works Department, dated Madras, 12th April 1886, No. 409 :—

I have the honor to forward papers (in original to be returned) relative to a proposal by the Madras Railway to take over the rest-house at Jalárpet and the land on which it stands.

2. It will be seen by the correspondence that the Military Department have no objection to the proposal provided a suitable camping ground is made available for troops when halting at this station, which will be of rare occurrence.

3. The Quartermaster-General accepts the piece of land selected for the purpose on condition that wells are provided. The company will pay Rs. 2,293 for the rest-house and the cost of the wells, it is thought, should be met from this sum.

4. If you see no objection to this arrangement, I shall be glad if you will take steps for acquiring the land selected by the committee and approved of by His Excellency the Commander-in-Chief and for providing the wells on receipt of the amount to be paid by the Railway Company.

ENCLOSURES.

From the Acting Agent and Manager, Madras Railway Company, to the Consulting Engineer for Railways, dated Madras, 10th October 1885, No. 698.

With reference to the conversation that took place at the official meeting held in my office on the 24th ultimo, I have the honor to forward, herewith, a plan and schedule of land at Jalárpet on which the Government rest-house now stands, and shall be glad if you will arrange to have it made over to the company.

The Chief Engineer values the building at Rs. 2,293, and this sum will of course be paid by the company if what I propose can be arranged.

The intention is to utilise the rest-house as quarters for drivers or firemen for which purpose it is fairly suited.

Inspector Bance will take charge of the land on behalf of the company.

Proceedings of a committee assembled at Jalárpet on the 8th March 1886 for the purpose of selecting a site for a rest camp in lieu of the present one.

PRESIDENT :

Colonel Swinley, Acting Quartermaster-General.

MEMBERS :

Major Sidney Smith, R.E., Deputy Consulting Engineer for Railways.
F. C. Bullmore, Esq., Resident Engineer, Madras Railway.
Deputy Surgeon-General Tarrant attended the Committee.

The committee having assembled proceed to inspect the ground in the vicinity of the station yard, and consider that the piece of land shown on the accompanying sketch marked ABCD is the most suitable site for the purpose.

This plot of ground is on a village, and is now under dry cultivation ; it is 400 yards from the station, fairly level throughout, and water can be obtained from various wells in the station yard, or new ones could be dug if necessary (water is found here at about 30 feet below the surface of the ground and the greater portion of the excavation would be through rock). It is bounded on the north by the railway feeder road from the Madras road to the station, on the east by the station compound, and on the south and west by cultivated land.

Dr Surgeon Genl. Tarrant attended the Committee.

The Committee having assembled proceed to inspect the ground in the vicinity of the station yard, and consider that the piece of land shewn on the accompanying sketch marked ABCD is the most suitable site for the purpose.

This plot of ground is on a ridge, ~~which~~ and is now under dry cultivation; it is 400 yds from the station, fairly level throughout, and water can be obtained from various wells in the station yard, or new ones could be dug if necessary. (water is found here at about 30' below the ~~level of the~~ surface of the ground & the greater portion of the excavation would be through rock.)

It is bounded on the north by the Br.

from the Madras road to

the station, on the east of the station compound, and on the South & west of cultivated land.

The size of the plot of ground selected, taking in as much land as the ~~amount~~ area proposed to be given up, is 132 × 300 yards, but considering the few Troops that have of late years halted ~~there~~ at Jalarpet, the committee are of opinion that the portion marked CDEF ~~would be~~ measuring 132 × 200 yards, would be sufficient for the purpose.

members

I concur in the opinion of the Committee as to the site selected, but in a sanitary point of view, I am of opinion the supply of water for troops should be independent of the Ry. wells. Water is scarce at Jalarpet and there must be a large consumption by the railway staff.

SIR,

With reference to your letter No: 1012 dated 12th October 1885, I am desired to inform you that though the Rest House at Jollarpett is not now used for the accommodation of Troops, there is no knowing when it may be again required for that purpose. If therefore, the building be sold to the Railway Company, it will be necessary to set apart some plot of land in the vicinity of the Station, which could at any time be made use of for a camp.

2. I am further desired to state

that if the Railway Company wish to purchase the Rest House, it would be better for them to purchase the land also, and I am to enquire what offer the Company is prepared to make for the same.

Buildings and Roads.
Military Works.

READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 22nd September 1883, No. 404 :—

I have the honor to inform you that the rest-house for troops at Beypore is no longer required by the Military Department, who state that it need not be maintained. I have also ascertained that none of the Civil Departments can make use of it, and have therefore to request permission to dismantle the building and sell the materials by public auction, the proceeds being credited to Imperial Revenue Receipts, Military.

1 Letter from the Executive Engineer, No. 993, dated 21st August 1883, with two enclosures.

2. I send the Executive Engineer's letter for your perusal.

ORDER—dated 5th October 1883, No. 2801 W., Public Works.

Ordered to be forwarded for the sanction of the Government of India in the Military Department.

(Here enter No. 2802 W., dated 5th October 1883.)

READ—the following letter from Colonel G. CHESNEY, Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 30th October 1883, No. 1079 M.W.:—

In reply to your letter, No. 2802 W., dated 5th October 1883, I am directed to convey the sanction of the Government of India to the dismantlement of the old rest-house at Beypore referred to therein.

2. With reference to paragraph 2 of letter, No. 325 M.W., dated 19th April 1881, from the Government of India in the Public Works Department, I am directed to request that, in future, the Government of Madras will sanction, in ordinary cases like the present, the demolition of superfluous military buildings without reference to the former.

ORDER—dated 12th November 1883, No. 3205 W., Public Works.

Communicated to the Superintending Engineer, Fourth Circle, with reference to Proceedings of Government, No. 2801 W., dated 5th October 1883.

2. Paragraph 1217 of the Public Works Code will be modified with reference to paragraph 2 of the foregoing letter.

(True Extract.)
