Public Works Department
 Proceedings of the Madras Government
 Read the following :-

Statements from Superintending Engineers and Superintendent
 of Works Tank Maintenance Scheme of lands held by members of
 the Public Works Department for 1885-86.

Order thereon No 1976 W dated 9th August 1886.

The action taken by Superintending Engineers in objec-
 tionable cases is approved. The Statement received from the
 Superintendent of Works Tank Maintenance Scheme will be return-
 ed, with request that in the column of remarks it may be noted
 against each item whether it is objectionable or otherwise.

2. In the IV Circle statement, the remark against two
 items is "unobjectionable owing to the position of the owner
 "as a lascar". This is incorrect, - if the holding of the lands
 is objectionable, the owner should be transferred or ordered
 to sell the property, no matter what position he occupies.

3. Attention is invited to G.O. No 1221 W dated 13th May
 1886.

Read the following :-

Statements from Superintending Engineers and the Consulting Architect to Government of lands held by Members of the Public Works Department for 1886-87.

Order thereon No 1408 W dated 25th May 1887.

The proposed action in the objectionable cases is approved and the necessary steps should be taken without delay.

2. With reference to the remark in the statement from the V circle, opposite the name of K Murugesu Moodr, viz : "considering that he is a lascar there seems to be no objection to his holding the land", the attention of the Superintending Engineer will be directed to para 2 of G.O. No 1976 W dated 9th August 1886.

3. The attention of the Superintending Engineer, II circle, will also be drawn to the G.O. quoted above with advertence to his remark against Lascar Lal Hamad's name; "the possession of this land is thought to be unobjectionable as the lascar is a lock lascar"
