G.O. No. 1809 W.

Dt. 7-7-1887.

S.G.M.

7TH JULY 1887, No. 1809 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following letter from R. B. BUCKLEY, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Buildings), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 28th June 1887, No. 219 B:—

I am directed to acknowledge the receipt of your endorsement, No. 1468 W., dated 30th May 1887, suggesting an alteration in paragraph 14, chapter XI of Public Works Department Code, so as to vest the responsibility for the acceptance of municipal assessments, in the case of every Government building, in the Executive Engineer of the division in which the building is situated.

2. In reply, I am to point out that, it seems to the Government of India, the suggestion will be impracticable in provinces where the Executive divisions are large and means of communication indifferent. It would be better that, as intended in the Code, an Executive Engineer should only be responsible for assessment of buildings which are borne on the books of the Public Works Department, that of other Government buildings being certified to by the departmental officers concerned.

ORDER—dated 7th July 1887, No. 1809 W., Public Works.

Communicated to officers and departments concerned, for information and guidance, with reference to G.O., No. 1467 W., dated 30th May 1887.

The accompanying
is a minute of the
works requiring the
expenditure of the
Subordinate attached
to the Public Works
at Wallah.
It was first proposed
to remove the present
roof which was
found to be in bad
condition and
leaky, and to sub-
stitute a new
roof of a more
substantial
material and
construction in
G.O. No 1552 W
dated July/85.

it was not found
desirable to change
the style of roof &
it is therefore now
proposed to leave
it by removing
the decayed timbers
and coating the
upper surface of
the trussing with
mortar and cement
The revised Est.
shows a saving
of Rs 64

The same is proposed
for not carrying
out the original
proposal is that
the works are not
sufficiently strong
to have the removal
of the trussing.
