TO

THE SUPERINTENDING ENGINEER,

FOURTH CIRCLE,

COIMBATORE.

SIR,

I have the honor to inform you that the improvements to Breech's School lately sanctioned included 4 additional girders. As these had to be obtained from England and the work would have been greatly delayed if they were ordered by letter, I authorised Messrs Graves & Co, the Contractors for the work, to telegraph for them, which they did at a cost of Rupees 30-15-0.

2. As the outlay was incurred in the interests of the Public Service, I disbursed the amount to Messrs Graves and Co and charged it against the grant for Office

Conting.
