the Examr. P. W. Aucts. N. 1 W
of 1. 4. 87.

I do not at all agree
that the fine should be paid
at the public expense.

Transfer to the Marine
Dept where the previous correspondence
has been received. An order
should issue thence calling
on the Board to show cause
why the fine inflicted a \$25
for an illegal act done by him
individually should be paid
from the Trust funds.
