LETTER—from

COLONEL J. SHAW-STEWART, R.E.,

Public Works Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to acknowledge the receipt of your letter, No. 1108 G., dated 18th September 1884, pointing out, with advertence to this office No. 2012 W., dated 15th August 1884, that no limit of rent can be fixed, even in cases of hardship, without the assent of the Government of India, and observing that the information asked for by the Government of India letter, No. 481 G., of the 25th April 1884, had not been supplied.

2. In reply, I am directed to state that no limit of rent was fixed in the Proceedings of this Government, No. 2011 W., dated 15th August 1884. On receipt of your letter, No. 481 G., dated 25th April 1884, inquiries were made as to whether any case of hardship, in consequence of the absence of a 10 per cent. limit, could be quoted; but the officers consulted, though unable to cite any case as actually existing, were agreed that such might easily occur under the rules in force. This Government thereupon resolved to pursue no further the proposal to fix a specific limit of rent, and merely expressed the opinion that officers should not be called upon to pay as rent for Government buildings a sum exceeding 10 per cent. of their salary. I am to add that, should any case in which this limit is exceeded be reported for special consideration, no orders will be passed thereon by this Government without reference to the Government of India.

I have the honor to be,

Sir,

Your most obedient servant,

With reference to your No. 189 T.E., dated the 14th December 1882, to the address of the Director-General of Telegraphs (copy of which has been received in this office), regarding scale of accommodation for Telegraph Masters and Signallers, I am directed to inquire if the rules, approved by the Government of India, are to be adopted at once, and whether rents are to be collected by the Public Works or by the Telegraph Department.

From Major G. F. L. MARSHALL, R.E., Under Secretary to the Government of India, Public Works Department, to the Secretary to the Government of the North-Western Provinces and Oudh, Public Works Department, dated Simla, 30th May 1883, No. 79 T.E.

In reply to the inquiries made in your letter, No. C. 1195 B.R., dated 30th March 1883, I am directed to state the rules for the allotment of quarters for Telegraph Masters and Signallers came into operation with effect from the 1st of January 1883.

2. Regarding the inquiry whether the rents are to be collected by the Public Works or Telegraph Department, I am to state that rents should be collected each month by the Examiner of Telegraph Accounts by deduction from the pay of the occupants, and the amount so collected should be credited to the Public Works Department as Imperial Revenue by transfer advice to the Examiner of Public Works Accounts, Bengal; I am further to add that compensation awarded for quarters not available is to be charged to the Telegraph and not the Public Works Department.

Copy, with copy of the letter replied to, forwarded to the Director-General of Telegraphs for information and guidance and with the remark that the words "per mensem" which were accidentally omitted in the original issue have been inserted in Rule 3. Credit for the rents realized should be taken in the *administration* account of the Telegraph Department.

THE POINT IS THAT, IN THE
CONCLUDING WORDS OF YOUR LETTER NO.

GOVERNMENT UNDERTOOK TO REFER TO
THE GOVT. OF INDIA BEFORE DECIDING
ANY CASE IN WHICH THE SALARY OF THE

OF THE RENT. GOVT. OF INDIA'S
LETTER QUOTED BY YOU LEAVES IT TO
THE MADRAS GOVT. TO FIX A FAIR RENT
IN TWO SPECIFIED CASES, BUT DOES
NOT, AS FAR AS I CAN SEE, DISTURB
THE PREVIOUSLY EXISTING GENERAL

BE

BE OBTAINED, IF THIS GOVT. WISHES TO

AS PROVINCIAL REVENUE.

Sir,

I am directed to
 inquire whether para 1
 of your letter No 16 B
 of 12 January 1887, leaving
 it to this Govt to fix a
 fair rent for the Govt
 quarters occupied by
 Inspector Tapp at Gudalur
 & by the Sub Magistrate
 at Vayitri, may be
 regarded as a general
 rule to govern similar
 cases of provincial
 buildings occupied
 by Govt. officials. I am
 to state that several
 subsequent cases have
 been disposed of in
 accordance with that
 order, but the

1887

examiner now considers that
the permission accorded
in January last, affected
only the two individual
cases mentioned in your
letter of 14th July.

The Hon. P. P. Madhav

2. I am to add that
much correspondence would
be saved if the order were
declared to be general
with respect to provincial
buildings, and that the
objection stated in para
2 of your letter, to the
levy of rent at a
percentage of salary,
will be borne in mind.

Yr. O. N^o 330 of 14.7.87.

The case is not one of provision
of quarters for a Telegraph Master
under the ordinary rules.

Mr. O'Hearn was, as a special
concession, allowed to occupy
a set of quarters in a building reserved
for Secretariat clerks, and he is
liable to be turned out at any
time should the rooms be req^d.
for their proper purpose. Special
terms were therefore prescribed,
which the Telegraph Dept.
understand and do not object to.

If the quarters be given under

them, which would not be

SIR,

In reply to your No. 262 of 7th
June 1887. I have the honor to report that the
Value of Otley Hall is Rs 26,596 and its total
area in block is 7,743 Square feet.

2. The areas occupied by Messrs Taylor and
Demonte are 960 and 1229 Square feet respectively
or 12.5 and 15.87 per cent of the whole area.

3. The rent now paid by Mr Taylor is
Rs 16/- by Mr Demonte Rs 10. 12. 10 being
10 per cent of their pay.

4. Seeing that the privilege of paying rent
at 10 per cent of their pay is accorded to
the Secretariat Clerks occupying Otley
and

And Greave Halls, I cannot understand the
Examiner's objection to Messrs Taylor and
Remond doing the same. and I think
it would be unjust to them to charge
them more.

Miscellaneous.

With reference to correspondence
noted in the margin relative to the
building of a new Court for the
Presidency Magistrates, Black Town,
on the vacant site at Abercrombie's
Battery, I have the honor to report
that I met Colonel Ross Thompson,
Executive Engineer, Presidency Division,
on Monday morning, the 6th instant,
and with him, and at his request,
inspected the Auxiliary Medical School
near the Konegar Shooltry, and that
both of us were satisfied that the
building

building was unsuited for the purpose of a Court for Black Town, not only on account of the utter inadequacy of the accommodation for such a purpose, but also on account of its extreme ineligibility of site, being situated at the North end of the city, instead of in its centre and the vicinity of the Beach and Merchants Offices, whence a large portion of its business is drawn.

2. ————— I would beg to take this opportunity of submitting to Government the necessity of building a new Court for the Town on the sanctioned site, vizt, Abercrombie's Battery, on the inexpensive scale advocated by me; that is, a plain substantial building of brick and chunam, without any ornamentation, at a cost of some 30 or 40,000 Rs. The present Town Building is in a very shabby state, and seems to grow worse and worse. It is not worth patching; and money spent on it, is

is only money thrown away.

Relative to a new

Dear Mad

There is a C.O. of some three
weeks back, fixing a site for the
Black Town Police Court & ordering
the Govt. architect & Chief Magistrate
to arrange a plan to cost not
more than 50000. Mr. Martin
thinks he was not consulted as
to the site, and it is different
from that previously allotted for
this building. Please therefore
write D.O. to Bransington as
follows:-

"With reference to C.O. -

"Mr. Scharlieb writes that the site

"thereby fixed for the Town Magistrates

6.7.7.87. 11.7.87

Courts will hardly
be large enough. There
are but two sites available
on the North Beach, viz. this &
the one immediately South of the
Post Office. The two buildings
for which they are intended
are (1) the Town Magistrates' Courts
(2) the Offices for the Inspector Genl.
of Registration, the Registrar of Madras
& the Diocesan Registrar. It was
thought that the larger site w.
be best suited for the latter, especially
as the Supt of Stamps & Stationery
requires larger store rooms & it
was thought that some space might
be reserved for him on the ground

" floor of these Registrations.
It is possible however that
portion of the ground floor of the
Post Office, immediately adjoining
the Supt's Office, may be available
& in that case it may be doubted
whether the Registrars or the Magf.
require the larger area. The
Govt. will be glad to have your
views on this subject after
consultation with the Officers
concerned & you need not take
the G.O. as finally settling
it."

Yours sincerely

Dear Colonel Mead

The plans and
elevations of the Apothecary
Court are finished so
far as I am concerned.

The finished drawings and
estimate will take some
time yet. The plan has
been decided on by
myself and Mr Scherlock

has been good enough
to take the know to come
two or three times to see
the proposed plans. The
ambulance etc will
accommodate all that
required. A plan for
the continued Reprobation
etc referred to by you was
prepared by Mr Ross
Thompson but was
contingent on the High
Court. I think all
the questions of the Office

are dependent upon
the decision the Govt
will arrive at on the
proposals sent up.

I think the other part
the Post Office was good
for a building of Rs 50,000
only and besides it is
^{half of} the most favored site
proposed for the High
Court. I will finish
the plans etc and
the decision of course
will be with the

unmistaken as to their
being carried out.
