READ—the following papers:—

From G. T. WALCH, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 3rd November 1886, No. 274 V.Z.

With reference to your memorandum, No. 2942 C., dated the 27th August 1886, I have the honor to submit, herewith, for sanction, a re-revised proposition statement for the temporary establishment required in the Vizagapatam division, and this statement includes the required guards.

2. The information required in paragraphs 2 and 3 of your memorandum under reference is given in the enclosed extract from the Vizagapatam Divisional-officer's letter, No. 976, dated the 28th September 1886.

3. The statement includes also—

- (1) Provision for an additional lascar for the Hospital Assistant on the Potinghy Ghât road.
- (2) Increase of salary to the Sub-divisional clerk of the Potinghy-Koraput road.

My predecessor, Major Clarke, ordered the entertainment of the additional lascar for the Hospital Assistant, on the report of the Division-officer urging the necessity of the employment of the lascar. An extract (will follow) from the Division-officer's report is enclosed. The lascar was employed from the 4th May 1886. As regards the increase of salary to the Sub-division clerk, a copy of the Division-officer's letter, No. 1001, dated the 2nd October 1886, is herewith submitted, and I entirely agree with him in the opinion expressed in the letter.

4. The statement also contains some other alterations the necessity for which is explained in the remark column.

2. In G.O. No. 1856 W. dated the 22nd July 1886. But in the revised statement submitted with my letter

No. 274. V² dated 3rd November 1886. 6 lascars have been applied for for the Surveyor as the Executive Engineer reported that owing to the unhealthiness of the climate 6 lascars would be specially wanted for the Surveyor.
