Read the following paper :—

No. 115. From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (Establishment—General), to the Inspector-General, Military Works, dated Simla, 16th November 1878, No. 1,585 E—G.

I AM directed to acknowledge your letter, No. 8,139, dated 4th instant, forwarding an application from Lieutenant Shone for officiating allowance for the time he held charge of the Ferozpore Division during the absence of Captain Goldie on furlough.

2. I am to state in reply that in cases in which temporary promotion is given in the place of an absentee Executive Engineer officiating allowance is not due to an Assistant Engineer holding charge of the division. It is obvious that if this were allowed the Government would pay the additional salary twice over, once as officiating allowance, and again as additional salary due to temporary promotion. This was never intended, and cannot be permitted.

Nos. 1,586—1,615 E—G.

The Governments of Madras and Bombay in the Public Works Department, General, Irrigation and Railway Branches.
The Governments of Bengal, North-Western Provinces and Oudh, and the Punjab, in the Public Works Department, General and Irrigation Branches.
The Chief Commissioners, Central Provinces, British Burmah, Mysore and Coorg, and Assam.
The Resident, Hyderabad.
The Agents of the Governor-General for Central India and Rajputana.
The Superintendent of Port Blair, and Chief Commissioner, Andaman and Nicobar Islands.
The Accountant-General, Public Works Department.
The Director of State Railways, Central, Western, and North-Eastern Systems.
The Director of State Railway Stores.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.
The Superintending Engineer, Simla Imperial Circle.

COPY forwarded to all Local Governments and Administrations and the Officers marginally noted for information and guidance.

Temporary promotion given in place of an absentee Executive Engineer.—Ruling of the Government of India that in cases in which officiating allowance is not due to an Assistant Engineer holding charge of the division, communicated to the Secretary to the Code Committee for the necessary action.

21ST FEBRUARY 1884, No. 482 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

READ—the following paper:—

Proceedings of the Government of India, Public Works Department (General), dated Fort William, 1st February 1884, No. 148 G.

Equalisation of Numbers in Executive and Assistant Engineer Classes.

Read—

Paragraphs 5—8 of despatch from the Right Honorable the Secretary of State, No. 18 P.W., dated 22nd March 1883.

Observations.—The portion of the Secretary of State's despatch above quoted deals with the question of the re-adjustment of numbers in the present Executive and Assistant grades necessary to produce a more rapid flow of promotion.

2. The measures therein approved by His Lordship allow, first, the equalisation of the present Executive and Assistant classes; and, secondly, call for a re-adjustment of the numbers in the several Executive grades. The first allows of the promotion of a considerable number to the 4th Executive grade; the second would retard promotion to and in the three upper grades, because the proportion allowed in the several grades is less advantageous than the present scale. Again, the process of equalising the two classes is, under the orders received, to be spread over two or three years; that is to say, the promotions to the 4th grade allowable by the increase in the total number of Executives are only to be made by instalments.

3. After giving full consideration to the question in the light of recent investigations which have been made into the present condition of the establishment, and as to the further measures necessary to give a fair rate of promotion in the future, the Government of India has decided, under the sanction that has been accorded, to equalise the numbers of Executive and Assistant Engineers at once by making 75 substantive promotions to the 4th Executive grade, and to make 30 promotions from Assistant Engineer 2nd to 1st grade.

4. While, however, allowing 75 substantive steps, as above stated, to be made at once to the Executive class, it is necessary to explain that it is not intended to allow the system of temporary promotions to the 4th grade to continue on the present system. At present there is a sanctioned scale of 381 Executive Engineers for the whole of India, and this number is constantly maintained by means of temporary promotions to the 4th grade, which are made in the place of every officer who is absent on furlough or is officiating in a higher class. These promotions are ostensibly made to fill Executive charges; but owing to the sanctioned number of Executive Engineers on many lists being in excess of the Executive charges, the aggregate number of Executives, substantive and temporary, is always considerably in excess of the aggregate number of charges. In fact, these temporary promotions have been allowed in times past as an expedient to compensate for the slowness of substantive promotion; but in any future scheme for ensuring a continued flow of promotion that may be accepted, it is tolerably certain that temporary will find no place as a substitute for substantive promotion. Hence, while increasing the number of substantive posts on Rs. 550 and over from 381 to 456, the Government of India sees no necessity for

allowing more temporary and substantive *pro tempore* promotions to the 4th grade than will suffice to maintain the present sanctioned number of Executives on each list. For this number being, as explained, on most lists much in excess, and on no list less than the number of Executive charges, to allow additional temporary promotions for the purpose of maintaining the increased number of substantive posts would be simply to perpetuate the principle of giving temporary in place of substantive steps.

5. In distributing the 75 substantive posts to the several lists, the object has been, so far as possible, to equalise the actual number of Executives and Assistants on each list. The following statement shows the present sanctioned scale, the additional posts in the 4th grade now sanctioned for each list, the scale for substantive sanction as it will then stand, and the total number of Executives to maintain which temporary (including substantive *pro tempore*) promotions to the 4th grade alone may be made: this number, it will be observed, corresponds with the sanctioned scale prior to the addition of the new posts:—

	Present sanctioned scale.	Additional substantive posts in Executive Engineer, 4th grade.	Total sanctioned substantive scale.	Scale to maintain which temporary promotions may be made.
Madras	35	7	42	35
Bombay	39	4	43	39
Bengal	44	11	55	44
North-Western Provinces and Oudh ...	52	10	62	52
Punjab	46	10	56	46
Local Administrations	48	8	56	48
State Railways	88	20	108	88
Military Works	29	5	34	29
Total ...	381	75	456	381

The effect of the promotions allowed on the above basis to the Executive class will be almost wholly to confirm in the 4th grade officers who either are or are liable to be temporary in that grade. The increase in expense will be trifling, if there is any; and so, although the measure goes beyond the letter of the Secretary of State's instructions, which require that the equalisation should be spread over several years, the deviation from the orders is unobjectionable.

6. In making the consequent promotions, however, to the 1st grade of Assistants, which involves an increased expenditure of Rs. 100 per mensem for every individual promoted, it has been necessary to observe the orders, and 30 promotions are allowed as the first instalment.

Madras	3	Punjab	3
Bombay	3	Local Administrations ...	4
Bengal	4	Military Works	2
N. W. P. and Oudh ...	4	State Railways	7

These 30 steps will be distributed as shown in the margin.

7. The promotions allowed under these orders will take effect from the 1st May 1883.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners of the Central Provinces, British Burma, Assam and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana and Beluchistan.
The Accountant-General, Public Works Department.
The Inspector-General of Military Works.
The Director-General of Railways.
The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore, and Lucknow.
The Director-General of Telegraphs in India.
The Director-in-Chief, Indo-European Telegraph.
The Director, Persian Telegraph.
The Deputy Director, Persian Gulf Telegraph.

Order.—Ordered that this Resolution be circulated, for information and guidance, to the Local Governments and Administrations and Officers noted in the margin, and that it be published in the *Gazette of India*.

Sir,

I have the honor to request that Mr S. D. Pears Assistant Engineer now temporarily in charge of the District Western Division may be granted charge allowance under Section 36 of the Pay and acting allowance Code.

2. Mr Pears is conducting the duties of his own Sub Division, in addition to the duties of an Executive Engineer.

3. I have also the honor to enquire, whether during the time he holds this charge, Mr Pears is entitled to draw Travelling allowance at the rate

prescribed for Executive Engineers.

I have the honor to be,

C.E.
 20.6

S. Q. W.

I am not satisfied that this
 opinion of the Examiner is quite
 correct.

Section 41 of the Civil Pay & Allowance
 Code (page 185) states that:-
 "when an officer is appointed to be
 in charge of the current duties of an
 office in addition to his own duties,
 and the charge, in the opinion of the
 Local Govt, entails a substantial
 increase of responsibility and some
 additional work, he is entitled to a
 charge allowance, to be fixed by the
 Local Govt, not exceeding one-tenth
 of the pay of the office."

Now there are exactly the circum-
 stances of Mr. Pears' case. He is an
 Asst. Engineer in charge of a sub. divⁿ
 of Western Water Divⁿ, and in addition
 to his duties as such, he had to
 take charge of the office of Ex. Engr^r
 & with that office additional and
 responsibilities. I do not exactly see
 what a notification appointing him
 as Offg. Ex. Engr^r against an existing
 vacancy has to say to it.

Also under head of same Section
 the incumbent of the Division was
 "absent on leave"

I should like, before passing the
 proposed draft, to have the question
 thoroughly sifted - it is a question
 which we are coping with again - &
 Section 41 exactly covers the case &
 must, so far as I am aware, be
 applied by any other rule. It
 seems to me that C.E. Office has
 overlooked the matter properly -
 please let me have your opinion of the
 matter regarding limitation of appointment
 & last instance also was made.

S. Q. W. the Ex. Engr^r in
 charge Garrison Bn.

1004

The G. of I. proc: Nos 1886-1887 E-6
clearly indicate that it would be
no use going up to front of India
in the matter, tho' it is difficult
to reconcile the hard & fast line
drawn in the proceedings with the
provisions allowable by the Code, &
the case is certainly a hard one on
these sides when circumstances compel
us (I may say) to put in charge of
Division. —

I have therefore passed the draft
order to the gen^l for W's approval.

Cy.
12. 1-84

1000

Mr. Pean's claim
to charge allowance

The argument of
Ct Office apparently
 is that Rule 1, page
 287, acts as a guide
 to Sec. 41 of the ^{Pay &} Civil
 as ^{an} ~~allowance~~ ^{allowance} Code, viz: "no
 allowance is admissible
 under this Section (41)
 unless the permanent
 incumbent ++ is
 absent on leave" &c
 They apparently read
 this to mean that
 the officer in charge
 must be acting for
 the officer absent.
 Otherwise acting
 allowance may be
 paid to two officers
 against one vacancy -
 e. g. the Asst. Surg. in
 charge Garrison Dr.

Copy

9-6 m 482 W 21-2.84
1079 W
goes on leave, & the
Asst Ch. Surg. for Dr. [unclear]
gets the temporary [unclear],
but the Asst Surg.
is given the charge
of the division - If the
latter be granted charge
allowance, there would
be double expense to
the State for the one
vacancy.

If Exception (2)
Sec. 41, second sentence,
could be applied ab-
solutely, without refer-
ence to vacancies, there would
be no doubt about
charge allowance being ad-
missible to Mr. Peers.
The Govt. of India ruling
undoubtedly in 40.
Mr. 4694 W of 9.12.78,
seems however to be
distinctly against
this, & there would
apparently be no use
in

in again referring
the question.

Capt. Raw will
claim to charge allow-
[vide linked file]
would appear to come
under the same rule.

24TH OCTOBER 1884, No. 2608 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 8th September 1884, No. 190 G.-L.

Among the recently-issued Addenda and Corrigenda to the Civil Travelling Allowance Code, there is the following:—

No. 229. "An Assistant Superintendent of Police in independent charge of a district, whether permanently or temporarily, is entitled to draw travelling allowance as if he were a District Superintendent of Police."

2. I beg to submit that a similar concession might equitably be made to officers of the Public Works Department, and that an Assistant Engineer in charge of a division should be allowed to draw the same rate of travelling allowance as an Executive Engineer.

3. Officers who take charge of higher posts are generally put to extra expense, which should be recouped to them.

4. There would be no extra charge to the State, because an assistant would (as a rule) hold charge of a division, because no Executive Engineer was available, and hence no Executive Engineer could be drawing the allowance.

5. Should you agree with me, I trust you will be good enough to lay the matter before Government for orders.

6. I have long felt that there should be a standing rule of this kind, and as the equity of the rule has been acknowledged in one branch of the public service, I trust it may be extended to others also.

From the Examiner of Public Works Accounts, dated 18th September 1884, No. 446.

ORDER—dated 24th October 1884, No. 2608 W., Public Works.

Under section 10 of the Civil Travelling Allowance Code, the Government can, by special order, authorise, to an officer placed in charge of the current duties of an office, the grant of the travelling allowance attached to that office. Cases of the nature referred to by the Superintending Engineer, II Circle, in paragraphs 3 and 4 of his letter, will always receive due consideration if specially reported for the orders of Government.

To

The Chief Engineer,
Public Works Department.

Sir,

Among the recently issued Ad-
denda and corrigenda to the Civil Travel-
ling allowance Code, there is the following:
No. 229. "An Assistant Superintendent of
Police in independent charge of a District,
whether permanently or temporarily, is entitled
to draw travelling allowance as if he were a
District Superintendent of Police."

2. I beg to submit that a similar
concession might equitably be made to Officers
of the P. W. D., and that an Assistant Engineer
in charge of a Division, should be allowed
to draw the same rate of Travelling allowance
as an Executive Engineer.

3. Officers who take charge of higher
posts are generally put to extra expense, &
which should be recouped to them.

4. There would be no extra charge
to the state, because an Assistant would,
(as a rule) hold charge of a Division,

because no Executive Engineer was available, and hence
no Executive Engineer could be drawing the allowance.

5. Should you agree with me,
I trust you will be good enough to lay the
matter before Government for orders.

6. I have long felt that there
should be a standing rule of this kind,
and as the equity of ^{the} rule has been
acknowledged in one branch of the
public Service, I trust it may be extended
to others also.

Encls. 1

Sir, In forwarding herewith Disallowance
List No 187 of $\frac{85}{86}$ from the Travelling
allowance Bill of this Division for
July/85, I have the honor to inform
you that the Examiner has admitted
my Travelling allowance for 1, 2, 3,
11th 12th July/85 at Rs 4 per diem and
disallowed the difference between
Rs 5 & 4 for the above days on the
ground that my promotion to
Executive Engineer 4th grade temporary
rank dates only from 15th July/85,
and that with reference to Section 12
of the first Travelling allowance Code
special

special orders of Government, are necessary to, admit the same -

(2) As I was in charge of the Division during the above period and as under Section 12 of the Civil Travelling Allowance Code Government can, by special order, authorise, to an Officer placed in charge of the current duties of an Office, the grant of the Travelling Allowance attached to that Office and as in G.O. No 2608 of 24-10-84 Government have ruled that cases of the similar nature will receive due consideration if specially reported for their orders. I beg that you will obtain orders authorising the Examiner to admit the claims under reference.

I have the honor to be

Sir,
Your most obdt. servant

TO,

THE Chief Engineer
P. W. Deptt.

Dowlaiswaram, 23rd June 1887.

SIR,

Desd 27th June 1887
During the absence of V. R.
Venkatrama Iyer Temporary Overseer
on leave without allowances it became
necessary to place J. Seshachellam
Naion Delta Suptt. in charge of
Overseer's duties in addition to his own
from 7th December/86 to 6th February/87
inclusive & I have the honor to recommend
that under G O No. 2608 W. dated the
24th October/84, he be granted the
travelling allowance of an Overseer for
the above period as he was put to
extra expense by the additional duties
which devolved on him.
