Copy of letter No. 526 dated 15th June
1887 from L. P. Charles Esquire Esquire
Engineer Armool Division to the Superin-
tending Engineer 3rd Circle Bellary.

I have the honor to inform you that
an Estimate for Improving the old Tailor's
Office and completing the Out-houses at Nandi-
kothur vide item No. 7 of B. Class works in
the Provincial Budget for 1887-88 has been
sanctioned in 1876.

A revised Estimate is under preparation
for this work, and will be submitted for sanction
as soon as the site plan sent to the Collector
is returned by him with Compensation Bill.

The District Superintendent of Police
has informed me that the construction of
the Police buildings at Handlapuram has
been abandoned in L. O. No 965 dated 4th
May 1887, and it is not unlikely that
the Taluk Butchery at that station for
which Rs 10,000 has been given in this year
will be abandoned too. I have made a
reference to the Collector on this subject,
at any rate, I do not consider it possible

The SD have
no purpose
this.
