S. A. W.

I remember
the impression that
we had some sort
of reply (though it
was not a very direct
one) to our letter
to India No. 1368
of 21.5.86 -

I think the
G. P. D. mixed up
the whole matter with
our later letter
of 25.8.86, No. 2135
about temporary
grants for the I. L.
Scheme.

Kindly return
the file with G. P. L.
3231 W of 7.12.87 &
connected papers.
Also G. P. D. reply
to our 2135 W of 25.8.86

Received 5-7-87
6-30-6-87

31st May 1886, I am directed
to report, for the information
of the Government of India,
that on account of Mr.
Venkataraddi Nagudis special
knowledge of irrigation work,
and his intimate acquaintance
with the Ganjam district, it
has been found necessary,
ⁱⁿ the interest of the
public service, to retain him
^{on} the Rushikulya Project,
while his place on the
Ranmad Estate works has
been supplied by ^a subordinate
of the permanent establishment;
and I am to express a hope
that the Govt. of India will
not object to this arrangement.

2. I am at the same
time to solicit that the

Government of India
will favour this Government
with an expression of their
compliance with the
request made in para
6 of this office letter
No 1368 Wd. 30th May 1886,
to which no definite
reply has yet been
received.
