Enclosures.

Sir,

In continuation of my letter N^o 1374 dated
10th December, I have the honor to inform you that
Mr C. S. Mayonbanks, Asst Engineer came under my
treatment on the 3rd December 1886.

This Officer is suffering from an enlarged spleen
and liver, the result of malarial poisoning.
He also suffers from a constant dull pain in his
head, which I consider to be caused by exposure to the
sun plus malarial poisoning.

These have been contracted on general service & not
the results of imprudence.

I consider that he has greatly improved under treatment
& I trust will be able to return on the expiry of his
present leave which I believe is privilege leave.
I would recommend that he be sent after this
to a non-malarial District if the Service permits -
South Arcot, Chingleput, or Godavary.

I have the honor to be,

Sir,

Your Most Obedient Servant,

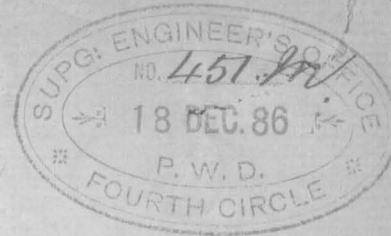

J. M. Lancaster

District Surgeon.
