From the Honorable Sir CHARLES A. TURNER, *Kt.*, C.I.E., President, Sub-Committee, Public Service Commission, Simla, to the Chief Secretary to the Government of Madras, dated Simla, 16th June 1887, No. 360-S.

It is proposed that the Sub-Committee appointed under a Resolution of the Government of India, Home Department, No. 15—574-615, dated 8th March 1887, should commence its sittings at Madras on Monday, August 1st, in order that opportunity may be afforded to such members of the public as desire to offer evidence in connection with any of the departments under inquiry. May I ask you to be so good as to provide a suitable place of meeting for the Sub-Committee.

2. Should His Excellency the Governor in Council so desire, the Sub-Committee will adjourn its sittings from Madras to Ootacamund in order that the evidence may be secured of such Heads of Departments or other officers as may be unable to attend in Madras without public inconvenience.

3. It is the practice of the Sub-Committee to issue a notification in the form enclosed, notifying the date and place of meeting. May I ask you to give publicity to this notice by publication in the Government Gazette, and in the leading newspapers, English and Native, such changes being introduced as are required by circumstances.

Hitherto dates have been fixed for the several departments, but it has been found that in the case of some departments no witnesses have presented themselves. It is proposed, therefore, that a Note should be added to the Notification that the inquiry will proceed in respect of the several departments in the order in which they are mentioned in the Government Resolution, viz.:—

(1) Accounts.
(2) Archæology.
(3) Customs.

4. May I also venture to ask you to cause notices to be issued to the local members of the Sub-Committee requesting their attendance at the date and place determined by you, adding in the case of departmental members an intimation that the witnesses they propose to call should be in attendance.

ORDER—dated 28th June 1887, No. 889, Public.

The officers nominated in G.O., 22nd March 1887, No. 427, as local members of the Sub-Committee of the Public Service Commission, are informed that the Sub-Committee will commence its sittings at Madras on the 1st August next at the Secretariat, Fort St. George. The Sub-Committee can meet in the Council Chamber which will be placed at their disposal. All the local members will arrange to be present on the opening day, and the departmental members will see that any witnesses they propose to call are in attendance.

2. The Government leave the question of an adjournment to Ootacamund altogether in the hands of the President of the Sub-Committee. They will merely remark that of the departments the working of which is to be inquired into only two—Forests and Public Works—have their heads stationed at Ootacamund, and that these officers could easily be ordered to Madras for a few days if required to give evidence.
