dated 25 October 1886. No. 6436.

Resolution

The Court presumed that a copy of their Proceedings No. 986 which was sent to the Revenue Department with Proceedings No. 1163 dated 20.9.86 would have been communicated in the usual course to the P. W. D. Three copies of the Proceedings will now be sent direct to that Department.

2. In those Proceedings the Court instructed collectors to place such sums as might be necessary at the disposal of the Public Works Department. The detailed allotments can only be settled on receipt of the information which has been called for from collectors and for which a reminder will now be sent.
