REVISED ESTIMATE FOR 1886-87 AND BUDGET ESTIMATE FOR 1887-88.

Provincial and Incorporated Local Funds.

Read the following:—

Letter No. 3373 W., dated 22nd December 1886, from the Secy. to the Govt. of Madras.
" 51 W., " 8th January 1887, from do. do.
Telegram, dated 19th February 1887, from do. do.
Public Works Department telegram No. 62 A.—G., dated 22nd February 1887, to Secretary to Government of Madras.
Telegram, dated 26th February 1887, from Secretary to Government of Madras.

RESOLUTION.—The estimates of Revenue and Expenditure accepted by the Government of India are shown in the accompanying tables. The final issues of the Provincial and Incorporated Local Public Works Budget Estimates should be prepared for the amounts therein entered, and despatched* so as to reach the

Government of India not later than the 1st May 1887.

2. The grants proposed for expenditure on Provincial and Local Public Works in Bengal are admitted provisionally subject to such orders as may be passed hereafter by the Government of India after further inquiry which is now being made.

3. No provision has been made in the preliminary issue of the Burma Provincial Budget Estimate for the special Irrigation Establishment borrowed from Madras. This point should receive attention when the final issue of the estimate is under preparation.

4. The percentage which the charge for establishment bears to the outlay on Provincial works and repairs is excessive in the following Provinces:—

Madras	...	...	...	...	...	...	...	...	64.54
Bengal	...	...	...	...	...	...	...	...	45.75
Burma	...	...	...	...	...	...	...	...	56.39

In the Punjab it is noticed that the temporary establishment costs Rs. 60,000, while the cost of the Provincial Establishment is 29.13 per cent. upon the works and repairs outlay.

5. The attention of the Bengal Government is invited to the following observations on the detailed estimate for Establishment:—

- i.—It is noticed that the whole of the Secretariat Establishment employed on Railways and Irrigation Works is detailed in the Civil Works Budget Estimate. The Government of India is not aware whether there are any special reasons for exhibiting the details of the Provincial Establishment in this manner, but a report should be submitted as to whether the establishment could not be apportioned off and included in the respective Budget Estimates. It would appear that no deduction has been made for the share chargeable to Railways.
- ii.—The provision for Engineer Establishment includes an extra allowance of Rs. 100 per mensem for one Executive Engineer, who is concluded to be the Superintendent of Works, Calcutta. This allowance was sanctioned in 1882 on a representation made by the Bengal Government that large expenditure was being incurred on new public buildings at Calcutta. There is nothing in the Budget Estimate to indicate such abnormal expenditure in the ensuing year, and the Government of India should be informed whether this allowance cannot now be discontinued.
- iii.—It is not clear why Local Funds are charged nothing for the separate establishment, costing Rs. 1,19,340, shown under the head "Inspectors of Local Works," and the Government of India will be glad to have an explanation on this point.

6. The provision made in the Central Provinces' estimate for Engineer and Upper Subordinate Establishments amounts to Rs. 2,04,867, but the Establishment actually employed only costs Rs. 1,76,087, which shows an over estimate of Rs. 28,780. A report should be submitted as to whether the provision for Establishment cannot be reduced, and whether a further reduction might not be effected by dispensing with a temporary Assistant Engineer on Rs. 250 per mensem.

ORDER.—Ordered, that the foregoing be communicated to the Local Governments and Administrations noted in the margin, for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam, and Coorg.
The Agents to the Governor-General for Central India and Rajputana.

Ordered also, that copies be forwarded to the Finance Department and Accountant-General, Public Works Department, for information.

A. J. FILGATE, Colonel, R.E.,
Deputy Secretary to the Govt. of India.

ORDER—dated 25th April 1887, No. 1130 W., Public Works.

The revised estimate of charges for 1886-87 under Incorporated Local Funds as shown in the preliminary issue has been reduced to Rs. 1,10,000 with reference to G.O., No. 514 W., dated 22nd February 1887. the modifications of grants subsequently sanctioned in the proceedings of Government noted in the margin, and to make the total agree with the amount adopted by the Government of India in the statement which accompanied their resolution above recorded.

2. The budget estimate of charges for 1887-88 under Incorporated Local Funds shown in the preliminary issue has been increased to Rs. 2,68,000 with reference to the modifications of grants referred to in G.Os., Nos. 567 W. and 576 W., dated 25th February 1887.

3. The total of the revised estimate for 1886-87 under Excluded Local Funds shown in the preliminary issue has been increased to Rs. 1,70,881 with reference to the additional allotments subsequently sanctioned by the Financial Department.

4. The Local and Municipal and the Revenue Department will be separately requested to allot the amount required to meet the increased rate of contribution to Provincial on account of tools and plant sanctioned by the Government of India—*vide* G.O., No. 881 W., dated 23rd March 1887.

5. With these remarks the final issue of the Incorporated and Excluded Local Funds budget estimates for 1887-88 will be printed and circulated for the information and the guidance of the officers of the Department and 35 copies, as noted in the margin, will be forwarded to the Government of India.
