

of Chief Engineer for
Irrigation and Joint
Secretary to Government
P. W. D. Irrigation Branch
single handed satisfactorily
at Botacamund and still
continues to do so. As
he is deserving of some
recognition for his long
service and arduous
duties I strongly re-
commend that Govt
will be pleased to
sanction his promotion
as a special case to
3rd class 3rd grade, the
additional pay being
regarded as a personal
allowance until he can
be absorbed into the
higher grade.
