Sir,

I observe that in the Gazette of 21st June 1887, my name is published as not having submitted the administration report of the Madras Harbour Works within due date to the Public Works Department. This report has hitherto been submitted by the Superintendent to the Secretary to Government Public Works Department direct, due the 31st May, but it does not by any means seem to follow that the Chairman

was bound to forward it on the same date, or that it should be sent to the Public Works Department direct, as G. O. No 173 Marine dated 22nd April 1887, would seem to direct that it should go to the Chief Secretary to Government Marine Department.

2. As a matter of fact, the report was submitted to me on the 24 June 1887, and copies were at once despatched both to you, and to the Public Works Department, to avoid possible mistake, but under any circumstances I submit that my name should not have been published, under the altered circumstances.

I have the honor to be
