Genl. No.

dated

Renewed sanction to the hire of
these buildings is necessary under
G. O. No. 1319 W dated the 14th May
1887. In addition to above rents
in excess of the authorized
scale are now being paid for
quarters hired for the undermentio-
ed individuals, which cases
should apparently have been
included in the Superintending
Engineer's present application.

Name and Rank.	Authorized Rate	Amount now paid in excess	Authority
J. A. Brook, Sub-Conductor (Presidency Division)			G. O. No. 1319 d.
L. M. A. J. Apothecary (Chingleput)			3.7.87

C. K.

18.8

2 With reference to Superintending Engineer's remark on statement that no steps were taken to hire quarters within the authorized rate, as the G.O. sanctioning the excess house rent mentioned no time limit, it is thought, from G.O. No. 2564 W dated 30th September 1886 and 205 W dated 22nd January 1887, that such steps should have been taken in the case of Apothecary Mene and and Sub-Conductor Blazey according to terms of above G.O. and letter accompanying.

3. In two out of the three cases in the Presidency Division, further renewal of sanction is necessary at once, and in the third case it will be required almost immediately, unless quarters have been, or very ^{shortly} ~~strictly~~ are hired within the sanctioned scale.

In the statement that accompani-

ed with this Office reply, O. N. No.

307 dated 8th. July 1887) the Supr.

Engineer requested renewed sanction

to the hire, at Rs. 50/ per mensem,

of the building occupied by Apothecary

Meneaud. As the Apothecary has now

obtained a Rs. 45/house, sanction is

required for Rs. 45/only per mensem.

2. I would point out moreover

that the Executive Engineer should

have hired the quarters himself

instead of allowing or requiring

the Apothecary to hire them; as to

which please see Code para 1136

 Letter from S. E. V Circle (" " 1486 of July, 2, "
 Office note from the Ex. S. W. Secy (.. " 358 of " 9, ")

Renewed sanction for
 six months to rents in excess
 of authorized scale is accorded
 in the cases included in
 the statement submitted
 by the Suptg Engineer.
 2. In the cases of Sub-
 Conductor Blazey and School
 Master Seed, further
 sanction is given for six
 months from 1st August
 and 1st July 1887 respectively.

on the understanding
that endeavours will be
made during the extended
period to provide quarters
within the authorised rates.
3. In the case of Apothecary
Merrand, it is observed
that quarters at a reduced
rent of the 45/- per annum
have been provided from 1st
July 1887, and sanction is
accorded to that rate for
months from the date in
question. From the Suptg
Engineer's letter No. 1486 dtd 2nd July
1886 it appears that the house
has been engaged by the
Apothecary himself, and if
such be the case, the
procedure is incorrect.
4. The Suptg Engineer
has not included in his
statement, the undermentioned
cases requiring review
