

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from W. R. LAWRENCE, Esq., C.S., Under Secretary to the Government of India, Revenue and Agricultural Department (Exhibition), to the Secretary to the Government of Madras, dated Simla, 14th June 1887, No. 433—7A-18 Ex. :—

In reply to your letter No. 2399, dated the 26th April last, I am directed to say, for the information of His Excellency the Governor in Council, that the Exhibition branch of the Revenue and Agricultural Department of the Government of India has recently been transferred to the trustees of the Indian Museum, Calcutta, together with the Economic collections of the Governments of India and Bengal; and that it is proposed in future that the direction of any arrangements connected with the supply of collections, &c., to Exhibitions should remain in the hands of the trustees of the Imperial Museum, who will, with the permission of the Governments concerned, correspond with the authorities of other Museums and the members of the mercantile community elsewhere, for the purpose of providing any collections which, on payment of the necessary funds, they may consider it desirable to supply.

2. In the present instance, however, the promoters of the Glasgow International Exhibition have supplied a considerable grant to the Government of India, which has been transferred to the Museum authorities under whose direction it will be spent, and His Excellency the Governor-General in Council would be glad if the Madras Government would permit any officials whom the trustees of the Indian Museum, or their representative may address, to give any reasonable assistance in their power.

3. I am to enclose, for information, a copy of the accompanying notification issued by Messrs. Finlay, Muir and Company relative to the Glasgow Exhibition.

ENCLOSURE.

Glasgow International Exhibition.

An International Exhibition will be opened at Glasgow in May 1888, for which specimens of art-exhibits will be received from private exhibitors.

Stalls will be opened at the Exhibition for the sale of such articles. The price of articles sold either at the Exhibition or in the stalls will be at once realised and remitted to the exhibitors in India every week, or fortnight as it may be found convenient.

3. Articles of inferior workmanship, or articles on which an undue price has been put, will not be accepted.

4. Applications for space should be made in the accompanying form before the 1st of July next. If the exhibits are approved, space will be given free.
