PUBLIC DEPARTMENT.

READ—the following paper:—

From Brigadier-General M. C. FARRINGTON, Adjutant-General, to the Secretary to Government, Military Department, dated Ootacamund, 16th June 1887, No. 1648-N.A. (Pensioners).

I have the honor, by desire of the Commander-in-Chief, to forward, for the information of Government, letter, No. 486, dated 19th ultimo, from the Superintendent of Pensions, submitting a report regarding the employment of pensioned soldiers of the Madras Army in civil capacities, for the period between July 1886 and March 1887, and to say that His Excellency considers the report a satisfactory one.

2. I am to request that the report now submitted may be printed and circulated in the Public Department. His Excellency proposes, as before, to send a copy to the Madras Press.

ENCLOSURES.

From Lieutenant-Colonel S. LEIGH HUNT, Superintendent of Pensions, to the Adjutant-General, Ootacamund, dated Fort St. George, 19th May 1887, No. 486.

I have the honor to forward, for the information of His Excellency the Commander-in-Chief, a report and return regarding the employment, in civil capacities, of pensioners of the Madras Native Army.

REPORT by Lieutenant-Colonel S. LEIGH HUNT, Superintendent of Pensions, on the employment of pensioners of the Madras Native Army in civil capacities, agreeably to the scheme promulgated by His Excellency Sir Frederick Roberts, late Commander-in-Chief, Madras Army.

Fort St. George, 19th May 1887.

The report, dated the 20th August 1886, after the scheme had been in work for about one year and a half, showed 1,142 pensioners remained in employment on the 30th June 1886 under the new conditions.

2. Between July 1886 and March 1887, a period of nine months, employment has been found for 1,197 pensioners, which, added to the 1,142 employed pensioners above alluded to, gives a total of 2,339 pensioners.

3. Of this number (2,339), 456 are reported as having voluntarily resigned employment, 38 men died, and 14 are reported as having been dismissed for negligence of duty, disobedience of orders, &c., leaving thus, on the 31st March 1887, a total number of 1,831 pensioners employed under the new conditions.

4. This result, after the scheme had been on trial for two years and a quarter, may be considered as generally satisfactory, and the Superintendent is of opinion that it is in some measure due to the last report having been brought prominently before the public through the medium of the Press. Registers of pensioners employed and desirous of employment have been opened at the different pension stations, and officers in charge of pensioners have been directed to give every assistance in their power to deserving men seeking work.

5. Of the 1,383 pensioners who remained in employment on the 30th June 1886 (*vide* last report), which employment they had found for themselves prior to the introduction of the new conditions, only 1,170 remained in employment on the 31st March 1887, showing thus a decrease of 213 since last return, and which number is accounted for as follows:—

Died	30
Dismissed	2
Voluntarily resigned	181
Total ..	213

6. Thus the number of pensioners employed on the 31st March 1887 stood as follows:—

Pensioners employed under the new conditions	..	..	..	1,831
Do. do. prior to introduction of scheme	..	..	..	1,170
Total	..	..	..	3,001

7. As stated in the previous report, application for pensioners should be made to the different officers in charge of pensioners, of whom there is one in all the chief towns in the presidency (*vide* pages 176-a and 177, Madras Quarterly Army List), and any particular information on the subject will, on application, be supplied by the Superintendent of Pensions, Fort St. George.
