MILITARY DEPARTMENT.

1st
August 1887, No. 4602

Pay and Allowances—House-rent.

Read the following paper :—

No. . From Major T. DEANE, Deputy Secretary to the Government of India,
Military Department, to the Secretary to the Government of Bombay,
Military Department; dated Simla, 5th July 1887, No. 1625-B.

Pay and Allowances—House-rent.

In reply to your docket No. 1512, dated the 22nd April 1887, recommending that Conductor R. Dickie, a permanent Warrant Officer attached to the corps of Bombay Sappers and Miners, be exempted from paying house-rent, I am directed to say, for the information of the Governor in Council, that Conductor Dickie should not be required to pay the house-rent of his departmental warrant rank so long as he draws the pay and allowances of a Regimental Sergeant-Major.

Extract from the Proceedings of the Government of Bombay, Military Department; dated Bombay Castle, 22nd April 1887, No. 1512.

Read the following letter from the Adjutant-General; dated 9th March 1887, No. 1967-2786.

With reference to this office memorandum No. 2125—9370 of the 23rd September 1886, and Government Resolution No. 4566 of the 8th November following, I have the honor to forward the accompanying letter No. 104-P of the 28th ultimo, from the Officer Commanding Sappers and Miners, and to inquire whether any decision has been received on the question of house-rent for Conductor Dickie, Sappers and Miners.

Memorandum to the Public Works Department; dated 14th March 1887, No. 441-AG.

Memorandum from the Public Works Department; dated 7th April 1887, No. 359-E.

Retransferred to the Military Department, with the report of the Examiner of Public Works Accounts.

2. Under the regulations no officers are entitled to residences free of rent, unless under the sanction of some general regulation or order of Government.

3. Conductor Dickie cannot claim exemption under any regulation, and if it is desired, on special grounds, to remit the charge, the sanction of the Government of India is necessary, and should be applied for in the Military Department.

Resolution.—Special India Army Circular dated 23rd October 1886, regarding the pay of British Warrant Officers, &c., with Corps of Sappers and Miners in the three Presidencies does not settle the question of house-rent raised in the papers forwarded to the Government of India under docket No. 4067, dated 30th September 1886.

2. In submitting the case to the Government of India, Government desired to protect Conductor Dickie from pecuniary loss by his promotion to his present rank, and in this view the sanction of the Government of India will be applied for to the charge for house-rent being remitted in his case.

 Letter from the Government of India, No. 1611-B (Pay and Allowances), dated 30th October 1886.

Submitted, with copy of the accompaniment to the memorandum from the Public Works Department, to the Government of India, with reference to the above Resolution and to the proceedings cited in the margin.

From W. J. LEBRETON, Esq., Examiner of Public Works Accounts, to the Public Works Offices, Esplanade; dated Bombay, 25th March 1887, No. 667-AG-3.

The objection by this office was raised on the grounds that, as a permanent Warrant Officer, Conductor Dickie was bound to pay rent for his quarters, and that the fact of his drawing Sergeant-Major's pay, which is in excess of what he would have drawn as a Conductor, was no valid ground for exempting him.

2. Taken by themselves, these facts, doubtless, justify the objection, but the question which appears to the undersigned is whether, in specially dealing with Conductor Dickie's case, Government did not desire to protect him from pecuniary loss by his promotion. If Government be pleased to take this view, the objection of this office will be withdrawn.

3. Should Government, however, consider that the question of house-rent is one outside the case submitted, then the confirmation of the Government of India would be necessary to any special exemption of Conductor Dickie from payment of rent.
